Dear Honorable Board,

Patent Owner seeks leave to file a supplemental briefing in each of IPR2025-00238 and IPR2025-00239. Patent Owner seeks to address the Director's Decision in *Dabico Airport Solutions Inc. v. Axa Power Aps*, IPR2025-00408 (Paper 21, dated June 18, 2025) and proposes supplemental briefing that is limited three pages (to be filed one week from the Board's approval).

Petitioner will include a response in its discretionary denial opposition, which the parties have agreed will be filed one week after the supplemental briefing.

Petitioner does not oppose this request.

Respectfully submitted,
