

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MEDIATEK INC.,
Petitioner,

v.

DAEDALUS PRIME LLC,
Patent Owner.

Case No. IPR2025-00243
Patent No. 8,769,316

JOINT MOTION TO TERMINATE PROCEEDING

Petitioner MediaTek Inc. and Patent Owner Daedalus Prime LLC have entered into a settlement agreement that resolves all underlying disputes between Petitioner and Patent Owner, including the related district court proceeding, *Daedalus Prime LLC v. MediaTek Inc.*, Case No. 2-24-cv-00235-JRG (E.D. Tex.) and this *inter partes* review proceeding IPR2025-00243, involving U.S. Patent No. 8,769,316, currently before the Board.

The Board authorized the parties to file a joint motion to terminate the instant proceeding and a joint request to treat the settlement agreement between the parties as business confidential information. In accordance with 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b), a true copy of the agreement between Petitioner and Patent Owner made in connection with, or in contemplation of, the termination of this proceeding is included with this request. The agreement ends all patent disputes between Petitioner and Patent Owner, including this *inter partes* review proceeding. Patent Owner and Petitioner will similarly file any future agreements.

Petitioner and Patent Owner jointly request that the Board terminate this proceeding. Pursuant to 35 U.S.C. § 317(a), “[a]n *inter partes* review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” Termination is

appropriate here because the Board has not yet decided the merits of this *inter partes* review. A decision on institution has not yet been issued by the Board.

No other party's rights would be prejudiced by the termination of this *inter partes* review. Accordingly, Petitioner and Patent Owner respectfully request that the Board grant this Joint Motion to Terminate Proceeding.

Respectfully submitted,

Dated: June 11, 2025
