

Exhibit H – Obviousness Combinations

1. '284 Patent:

- Exhibit A01 – Toge:
 - o Toge in combination with the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Farrell-913 and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Farrell-737 and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Berthon-Jones and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Farrell-913, Farrell-737, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Farrell-913, Berthon-Jones, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with ResTraxx and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with ResTraxx, Farrell-913, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with ResTraxx, Farrell-737, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with ResTraxx, Berthon-Jones, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Rasid IEEE and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Jasemian and/or the knowledge of a person of skill in the art at the time of the invention;
 - o Toge in combination with Hansen and/or the knowledge of a person of skill in the art at the time of the invention;
- Exhibit A02 – ResTraxx:
 - o ResTraxx in combination with the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Toge and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Rasid IEEE and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Jasemian and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Hansen and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Woodward and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Toge, Rasid IEEE, Jasemian, Hansen, Woodward, and/or the knowledge of a person of skill in the art at the time of the invention;
 - o ResTraxx in combination with Farrell-913 and/or the knowledge of a person of skill in the art at the time of the invention;

Exhibit H – Obviousness Combinations

- Emi in combination with Berthon-Jones and/or the knowledge of a person of skill in the art at the time of the invention;
- Emi in combination with Burton and/or the knowledge of a person of skill in the art at the time of the invention;
- Emi in combination with Modarres and/or the knowledge of a person of skill in the art at the time of the invention;

5. '333 Patent:

- Exhibit E01 – Toge:

- Toge in combination with the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913 and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Sun and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Wagner and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Berthon-Jones and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Embletta PDS and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Burton and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913, Nolvak, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Nolvak and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Nolvak and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Teller and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Teller, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Pirezada, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913, Pirezada, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Pirezada and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Jasemian, and/or the knowledge of a person of skill in the art at the time of the invention;

Exhibit H – Obviousness Combinations

- Toge in combination with Farrell-913, Jasemian, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Jasemian and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Woodward, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913, Woodward, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Woodward and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Rasid IEEE, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913, Rasid IEEE, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Rasid IEEE and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with ResTraxx, Puzzuoli, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Farrell-913, Puzzuoli, and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Puzzuoli and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Woodward and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Jasemian and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Rasid IEEE and/or the knowledge of a person of skill in the art at the time of the invention;
- Toge in combination with Eklund and/or the knowledge of a person of skill in the art at the time of the invention;
- Exhibit E02 – ResTraxx:
 - ResTraxx in combination with the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Rasid IEEE and/or the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Jasemian and/or the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Toge and/or the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Hansen and/or the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Farrell-913 and/or the knowledge of a person of skill in the art at the time of the invention;
 - ResTraxx in combination with Berthon-Jones and/or the knowledge of a person of skill in the art at the time of the invention;
