

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION

STA GROUP LLC,

Plaintiff,

v.

MOTOROLA SOLUTIONS, INC.,

Defendant.

Case No. 2:23-cv-00030-JRG-RSP

PARTIAL STAY ORDER

Before the Court is Motorola’s Unopposed Motion To Stay and Sever Claims Involving U.S. Patent Nos. 8,145,249 and 9,319,852 Pending *Inter Partes* Reviews at the Patent Trial & Appeal Board. (Dkt. No. 375.) After consideration of said motion, the Court finds that it should be **GRANTED** to the extent that STA Group LLC’s claims involving U.S. Patent Nos. 8,145,249 and 9,319,852, and all motions directed thereto, are stayed pending completion of the IPR proceedings at the PTAB.

At the time that judgment is entered on the claims involving the remaining two asserted patents (the "324" and "737"), if the stay continues in effect, the Court will address whether that judgment should be certified as a partial final judgment under Rule 54(b), or the claims regarding the remaining patents should be severed into a new action.

SIGNED this 27th day of August, 2024.

ROY S. PAYNE
UNITED STATES MAGISTRATE JUDGE
