EPA Seeks Entries for Clean Air Excellence Awards

The Awards Program honors outstanding, innovative efforts that support progress in achieving cleaner air. Awards are given in the following categories: Clean Air Technology, Regulatory/Policy Innovations, Transportation Efficiency Innovations, Community Development, Education/Outreach, and Outstanding Individual Achievement.

Click [here](#) for more information or to download an entry form.

Business Development Mission to Mexico

The U.S. Department of Commerce is pleased to announce that Secretary of Commerce Donald L. Evans will lead a delegation of senior executives to Mexico on June 17-20, 2002. Anyone interested in accompanying the Secretary should [apply](#). The delegation of company representatives will number approximately 15, with an emphasis being placed on the environmental sector.

Inside this month's magazines...

- Bush's Clear Skies Initiative;
- Pre-MACT testing for HWC compliance; and
- Ethics Corner: Conflicts of interest.

Daily Envirowire

provided by BNA

6/3/2002 - Bond Set to Introduce Senate Legislation Restricting Access to Plants' Chemical Risks

5/31/2002 - Environmental Groups to Sue EPA for Failure to Designate Areas Violating Ozone Standard
