Counsel,

Petitioner's pending request for Director Review or Rehearing in each of the above-identified proceedings was withdrawn. Because institution was denied in these cases, the parties' joint motion terminate, request to treat settlement agreement as confidential, and the settlement agreement are moot, and will be expunged from the record. No request for Director Review or Rehearing was filed in IPR2024-01337. Accordingly, the joint motion to terminate and the request to treat the settlement agreement as confidential will be decided by the panel in due course.
