Product Features

50 Programs:

15 TENS, 35 EMS, and 6 customizable options—you have versatile solutions for pain relief, muscle training, and relaxation, all with adjustable intensity to match your needs anytime

Dual Channels:

Dual adjustable channels with 4 self-adhesive electrodes allow for targeted, personalized relief in multiple areas at once, enhancing treatment flexibility and effectiveness

Doctors Function:

A setting that remembers and recalls your preferred program, allowing you to quickly resume treatment without adjusting settings each time—ideal for consistent, personalized relief

LCD Display:

Blue backlit LCD display provides clear, easy-to-read results even in low light, ensuring hassle-free use anytime

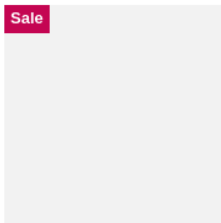

Specifications

- Product Dimensions: 5.45 x 2.55 x 0.75inches
- Weight: 0.25 pounds
