Counsel for Patent Owner has informed the Board that the parties fully executed a settlement agreement resolving their dispute over the patents at issue in IPR2025-00502, -00503, and 00512. The Board has authorized the parties' request to file, in each proceeding, a joint motion to terminate, along with a copy of the executed settlement agreement and a joint motion to treat the settlement agreement as confidential. Under these circumstances, we understand the parties to withdraw their discretionary denial briefs and, accordingly, a discretionary decision will not issue. As such, the Petitions will be referred to the Board.
