Andrew,

No need for the extension. As Linkplay is aware, Origin and Sonos have agreed in principle to resolve the dispute. So Origin won't be participating in the case.

Best,
Cole

Subject: Sonos v. Linkplay, C.A. No. 24-131-CFC - Claim Construction Deadlines

Cole,

In light of Sonos' unopposed motion to extend time for Origin Acoustics to respond to the complaint, we think the parties should stipulate to push back the claim construction deadlines in this action by 30 days. Otherwise, the new deadline for Origin Acoustics to respond will fall after the deadline to exchange claim terms.

Please let us know if you agree, and we'll circulate a draft stipulation. Thanks,
