#### MICROSOFT LUMIA 640 LTE - USER OPINIONS AND REVIEWS

- shadman  
Ok, I don't understand it. Why'd the performance rating drop to 7.5? I'm using a Lumia 630 dual sim, it has a snapdragon 400 and 512mb ram. And, I never faced any problem with it. So, the Lumia 640 has 1GB ram. I hope, that it won't have any problems...
