Your Honors,

The parties jointly write to notify the Board that they have reached a settlement agreement and have agreed to seek a 45-day stay of these proceedings to allow them to finalize the settlement and jointly seek to terminate the proceedings. In particular, the Patent Owner’s deadline to file a preliminary response in each proceeding is this Friday, June 20, as is the Petitioner’s due date for discretionary denial opposition. The parties respectfully request authorization to hold those upcoming deadlines in abeyance to allow the parties to finalize the settlement and seek to terminate the proceedings. This will preserve considerable resources by avoiding the need for the parties to continue preparing responses.

The parties can make themselves available for a conference call, should the Board find it helpful.

Respectfully submitted,

Counsel for Patent Owner

James Lovin (IPR2025-00504)
Keith Wood (IPR2025-00533)
Justin Kimble (IPR2025-00534)
