177. Defendant denies the allegations in Paragraph 177 of the Complaint.

### **PRAYER FOR RELIEF**

Defendant denies any factual assertions contained in Plaintiff's Prayer for Relief.

Defendant further denies that Plaintiff is entitled to any relief whatsoever, including but not limited to the relief sought in Paragraphs A-G of the Complaint.

### **DEMAND FOR JURY TRIAL**

A response is not required to Plaintiff's demand for a jury trial.

### **DEFENSES**

Defendant repeats and re-alleges the allegations of the preceding Paragraphs as if fully set forth herein. Defendant asserts the following defenses to Plaintiff's Complaint, without admitting or acknowledging that Defendant bears the burden of proof as to any of them or that any must be pleaded as defenses. Defendant specifically reserves all rights to allege additional defenses that become known through the course of discovery.

#### **FIRST DEFENSE (Non-Infringement)**

Defendant has not and does not infringe, either literally or under the doctrine of equivalents, any valid and enforceable claim of any Asserted Patent, whether directly, indirectly, contributorily, by inducement, individually, jointly, willfully, or otherwise. Additionally, with respect to Plaintiff's allegations of indirect, joint, and willful infringement, Defendant lacks the requisite *mens rea*.

**SECOND DEFENSE  
(Invalidity & Ineligibility)**

The Asserted Claims are invalid under at least 35 U.S.C. §§ 101, 102, 103, and/or 112. Defendant incorporates by reference its forthcoming invalidity contentions and all amendments thereto.

**THIRD DEFENSE  
(No Willfulness, Enhanced Damages, or Attorneys' Fees)**

Plaintiff is not entitled to enhanced damages under 35 U.S.C. § 284, at least because Plaintiff has failed to show, and cannot show, that any infringement has been willful and/or knowing. Plaintiff is not entitled to an award of attorney's fees under 35 U.S.C. § 285, at least because Plaintiff has failed to show, and cannot show, that this case is "exceptional" in Plaintiff's favor as would be required by the statute.

**FOURTH DEFENSE  
(Statutory Limitation on Damages)**

Plaintiff's claims for relief are statutorily limited in whole or in part by 35 U.S.C. §§ 286 and/or 287. In addition, to the extent Plaintiff seeks damages for allegedly infringing acts committed more than six years prior to the filing of the Complaint in this action, it is barred from recovery of such damages.

Additionally, to the extent Plaintiff or any licensee of the Asserted Patent failed to properly mark any of their relevant products as required by 35 U.S.C. § 287 or otherwise failed to give proper notice that Defendant's actions allegedly infringed any Asserted Claim, Defendant is not liable to Plaintiff for the acts alleged to have been performed before Defendant received actual notice of infringement.

**FIFTH DEFENSE  
(License, Exhaustion, Waiver, and Estoppel)**

Plaintiff's claims are barred, in whole or in part, by license, exhaustion, and/or the

doctrines of waiver and/or equitable estoppel.

**SIXTH DEFENSE  
(Inexcusable Delay)**

Plaintiff is barred from enforcing the Asserted Patents due to inexcusable delay in reviving the '867 patent after it was abandoned.

**SEVENTH DEFENSE  
(Intervening Rights)**

Plaintiff's claims are barred by the doctrine of absolute intervening rights and the doctrine of equitable intervening rights with respect to any Accused Product or technology that predates the date of the revival of the '867 patent and/or the date of the reissue of the '461 and '438 patents. 35 U.S.C. § 252.

**EIGHTH DEFENSE  
(Improper Reissue)**

The claims of the '438 and '461 patents are invalid pursuant to 35 U.S.C. § 251 because they enlarge the scope of the claims of the original patent and/or because they improperly recapture subject matter that the patentee intentionally surrendered to obtain a valid patent.

**NINTH DEFENSE  
(28 U.S.C. § 1498)**

On information and belief, Plaintiff's claims against NVIDIA for patent infringement are barred, in whole or in part, by 28 U.S.C. § 1498.

**TENTH DEFENSE  
(Ensnarement)**

Plaintiff is barred by the doctrine of ensnarement from contending that any Asserted Claim covers any product, service, or method practiced, manufactured, used, sold, or offered for sale by Defendant in any manner that would ensnare the prior art.

**ELEVENTH DEFENSE  
(Territoriality)**

Plaintiff is not entitled to damages arising from any purported indirect infringement by Defendant that is premised on direct infringement by end-users occurring outside of the United States under 35 U.S.C. § 271.

**TWELVTH DEFENSE  
(No Standing)**

Plaintiff's claims are barred because Plaintiff lacks standing to bring this suit. Specifically, Plaintiff cannot prove that it is the rightful owner of the Asserted Patents.

**THIRTEENTH DEFENSE  
(Failure to State a Claim)**

The Complaint fails to state a claim upon which relief may be granted.

**FOURTEENTH DEFENSE  
(Inconvenient Venue)**

For the convenience of parties and witnesses, venue for this action is not convenient in this district and would be more appropriate in another district. 28 U.S.C. § 1404.

**FIVETEENTH DEFENSE  
(Reservation of Defenses)**

Defendant reserves all affirmative defenses under Rule 8(c) of the Federal Rules of Civil Procedure, as well as any other defenses at law or in equity that may exist now or that may be available in the future.

**PRAYER FOR RELIEF**

Wherefore, Defendant respectfully requests judgment in its favor with the following relief:

- a) The Complaint be dismissed with prejudice.

- b) Judgment that Defendant has not infringed and is not infringing, either directly or indirectly, any of the claims the '867 Patent, the '461 Patent, and the '438 Patent, in violation of 35 U.S.C. § 271.
- c) Judgment that the claims of the '867 Patent, the '461 Patent, and the '438 Patent are invalid.
- d) Judgment and determination that this case is exceptional under 35 U.S.C. § 285 and that Defendant is entitled to its attorneys' fees, costs, and expenses in defending this action.
- e) Such other relief, including other monetary and equitable relief, as this Court deems just and proper.

**DEMAND FOR JURY TRIAL**

Defendant demands a jury trial on all issues so triable.
