SCHEDULING ORDER

Date	Item
August 1, 2024	Deadline to file a motion to transfer. After this deadline, movants must seek leave of Court and show good cause for the delay.
August 1, 2024	Plaintiff serves preliminary infringement contentions in the form of a chart setting forth where in the accused product(s) each element of the asserted claim(s) are found. Plaintiff shall also identify the earliest priority date (i.e., the earliest date of invention) for each asserted claim and produce: (1) all documents evidencing conception and reduction to practice for each claimed invention, and (2) a copy of the file history for each patent in suit.
September 5, 2024	Case Management Conference
September 19, 2024	The Parties shall file a motion to enter an agreed Scheduling Order. If the parties cannot agree, the parties shall submit a separate Joint Motion for entry of Scheduling Order briefly setting forth their respective positions on items where they cannot agree. Absent agreement of the parties, the Plaintiff shall be responsible for the timely submission of this and other Joint filings.
October 24, 2024	Defendant serves preliminary invalidity contentions in the form of (1) a chart setting forth where in the prior art references each element of the asserted claim(s) are found, (2) an identification of any limitations the Defendant contends are indefinite or lack written description under section 112, and (3) an identification of any claims the Defendant contends are directed to ineligible subject matter under section 101. Defendant shall also produce (1) all prior art referenced in the invalidity contentions, and (2) technical documents, including software where applicable, sufficient to show the operation of the accused product(s).

Date	Item
November 14, 2024	Parties exchange claim terms for construction.
December 5, 2024	Parties exchange proposed claim constructions.
December 12, 2024	Parties disclose extrinsic evidence. The parties shall disclose any extrinsic evidence, including the identity of any expert witness they may rely upon with respect to claim construction or indefiniteness. With respect to any expert identified, the parties shall identify the scope of the topics for the witness's expected testimony. ¹ With respect to items of extrinsic evidence, the parties shall identify each such item by production number or produce a copy of any such item if not previously produced.
December 19, 2024	Deadline to meet and confer to narrow terms in dispute and exchange revised list of terms/constructions.
January 9, 2025	Defendant files Opening claim construction brief, including any arguments that any claim terms are indefinite.
