Numerical changes in covered titles between the issuance of the JFS and the required 12-month OPM implementation accomplishment date, May 31, 2012. Because the CHCOC memorandum urged more rapid implementation than the required deadline, numerical changes per month during the interim period are also requested.

The numerical information requested includes:

Baseline Information

- Number of IT Program Managers, by grade, as of May 31, 2011
- Number of IT Project Managers, by grade, as of May 31, 2011

Interim Change Information

- Incremental, monthly changes in title populations in +/- format
- If reclassified from another 2210 series title, the title and grade of the reclassified position
- If created without reclassification, so indicate

OPM Deadline Information

- Number of IT Program Managers, by grade (complete or expected to be nearly complete), as of May 31, 2012
- Number of IT Project Managers, by grade (complete or expected to be nearly complete), as of May 31, 2012

Additionally, if any departmental or agency policies, procedures, or position description templates were changed or added as a result of implementing the updated JFS, either a publicly available URL, PDF, or printed copy is requested
