Subject: RE: Request for Conference Call in Case Nos. IPR2025-00705, IPR2025-00706, IPR2025-00707 for Patent Owner's Motion to Amend
Date: Tuesday, January 6, 2026 3:19:13 PM

Counsel,

We acknowledge Patent Owner's effort to confer with the panel prior to filing any Motions to Amend, as required by 37 C.F.R. § 42.121(a). We deem the regulatory requirement as satisfied by this email exchange (as provided for in our Trial Practice Guide). *See* PTAB Trial Practice Guide (online version), § II.G.1 (Motion to Amend). No conference call is necessary. This email exchange will be added to the record of each proceeding as a 3000-series exhibit.

The parties previously stipulated to move Due Dates 1 through 3 in each of these proceedings. *See, e.g.*, IPR2025-00705, Paper 12. As noted at the time by the panel, "due to the compressed nature of the deadlines, if an MTA is filed, the panel will not move any further deadlines." IPR2025-00705, Ex. 3001 at 1.

To the Patent Trial and Appeal Board:

Per the Trial Practice Guide, Patent Owner requests a conference call with the Board to discuss procedures for Patent Owner's Motions to Amend in the above-referenced proceedings. At the

Board's preference, Patent Owner would also be amenable to receiving procedural guidance via email communication in lieu of a conference call, as also indicated in the Trial Practice Guide.

Respectfully Submitted,
