Case No. IPR2025-00726
Declaration of Jesse L. Jenike-Godshalk in Support of
Motion for Admission *Pro Hac Vice*

I, Jesse L. Jenike-Godshalk, declare as follows:

1. I was admitted to the Ohio Bar in 2011. I have been practicing law for 14 years. I have been involved in patent litigation disputes in many jurisdictions, with many different types of technology, including medical imaging and software as is relevant to U.S. Patent No. 11,894,141 (the “141 patent”).

2. I am a member in good standing of the Bar of Ohio and am admitted to practice before the U.S. District Courts for the Northern District of Ohio, the Southern District of Ohio, the Eastern District of Michigan, the Eastern District of Texas, and the Western District of Wisconsin. I am also admitted to practice before the U.S. Court of Appeals for the Federal Circuit, U.S. Court of Appeals for the District of Columbia, and U.S. Court of Appeals for the Sixth Circuit.

3. My Ohio Bar membership number is 0087964.

4. I have never been suspended or disbarred from practice before any court or administrative agency or tribunal.

5. I have never had a court or administrative agency or tribunal deny my application for admission to practice.

6. No court or administrative agency or tribunal has ever imposed sanctions or contempt citations on me.

7. I have read and will comply with the Patent Office Trial Practice Guide and the Board's Rules for Practice for Trials, as set forth in 37 C.F.R. Part 42.

8. I have read and will be subject to the United States Patent and Trademark Office Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

9. I am intimately familiar with the relevant law and factual circumstances in this proceeding. I have participated in reviewing and drafting papers filed thus far in this proceeding in addition to papers filed on behalf of Petitioner MIM Software, Inc. ("Petitioner" or "MIM") in the related *inter partes* review matters challenging U.S. Patent No. 10,665,346 (the "'346 patent"), U.S. Patent No. 11,424,035 (the "'035 patent"), and U.S. Patent No. 11,941,817 (the "'817 patent") which were respectively filed as *MIM Software, Inc. v. Progenics Pharmaceuticals Inc.*, IPR2025-00630, *MIM Software, Inc. v. Progenics Pharmaceuticals Inc.*, IPR2025-00725, and *MIM Software, Inc. v. Exini Diagnostics AB*, IPR2025-00827, for which I am also currently seeking admission to practice *pro hac vice* before the Board. And I am currently representing Petitioner in the parallel district court litigation in the U.S. District Court for the District of Massachusetts, in which the '141 patent, the '346 patent, the '035 patent, and the '817 patent are some of the patents-in-suit: *Progenics Pharmaceuticals, Inc. and Exini Diagnostics AB v. MIM Software, Inc.*,

No. 1:24-cv-10437-PBS (D. Mass).

10. I am also proficiently familiar with advancements in medical imaging and diagnostic technology, including achieving this through the application of artificial intelligence algorithms. I have represented Petitioner's parent company, GE HealthCare Technologies Inc., and its affiliates in patent and other intellectual property and contract litigation. The technology involved in some of these disputes includes devices and methods to improve upon medical imaging techniques.

11. I hereby declare that, to my own knowledge and upon information and belief, all statements made herein are true or believed to be true. I further understand that, if these statements are found to be willfully made false statements, they are punishable including by fine or imprisonment according to 18 U.S.C. § 1001.
