Patent Owner respectfully writes to request a conference call in the above-captioned matter to seek permission to file a 5-page brief to respond to Petitioner's Opposition to Patent Owner's Discretionary Denial brief and its arguments related to claim construction. Patent Owner further would like to request permission to file a replacement to exhibit EX2008 to correct the patent number associated with this proceeding. Patent Owner believes that both the brief and exhibit would help the Director in her decision related to discretionary issues and further clarify Patent Owner's position. Petitioner does not oppose these requests.

Patent Owner proposes to file its 5-page brief 3 business days after receiving authorization to do so.

Counsel for both parties would be available for a call at the Board's convenience.

Sincerely,
Megan Raymond
Counsel for Patent Owner, Atossa
