IPR2025-00809 // U.S. Patent No. 11,562,402
IPR2025-00810 // U.S. Patent No. 10,594,823

Honorable Board,

Patent Owner requests a five-page reply to Petitioner's discretionary denial opposition brief in each of IPR2025-00809 and IPR2025-00810 to address the following:

1. Clarification of the timing of the stay order in the parallel district court proceeding, which issued around the same time that Patent Owner's brief was filed, and the order's impact on the *Fintiv* analysis;
2. Petitioner's characterization of the Board's precedent with respect to settled expectations of the parties; and
3. The impact of recent discretionary denial decisions issued after the filing of Patent Owner's brief, including *Realtek Semiconductor Corp. v. Parkervision, Inc.*, IPR2025-00324, Paper 11 (PTAB June 25, 2025).

To clarify the factual record, Patent Owner also requests to submit evidence of the date and time that the stay order in the parallel district court proceeding was issued. If authorized, Patent Owner

can submit its reply within three business days of authorization.

Petitioner has indicated that it opposes Patent Owner's request. If a conference call is needed, the parties can provide their availability.

Thank you,
Steve Pappas
