The trial date will normally be set at the initial pretrial conference. A final pretrial conference will be scheduled at the time the trial date is set. The court may also schedule interim pretrial conferences in appropriate cases.

Procedural Provisions
1. **Extension of Deadlines.** All requests to extend or modify deadlines must be made by motion and must state: (1) the original date(s); (2) the number of previous requests for adjournment or extension; (3) whether these previous requests were granted or denied; (4) the reasons for the requested extension; and (5) whether the opposing party consents

and, if not, the reasons given for refusing to consent. The motion shall also contain a summary of the discovery, if any, that remains to be taken, and a specific date when the requesting party expects to complete the additional discovery, join other parties, amend the pleadings, or file a motion. Motions to extend or modify deadlines will be granted only for good cause shown.

Absent an emergency, any request for an extension or adjournment shall be made at least forty-eight hours prior to the deadline or scheduled appearance.

2. **Motions to Compel or Prevent Discovery.** Except for good cause shown, motions to compel discovery, motions for protective orders, motions to quash, motions to strike discovery responses, and similar motions must be filed no later than the close of fact discovery or the close of expert discovery, whichever deadline is relevant. If additional discovery is compelled by the Court after the relevant deadline has passed, the Court may enter such additional orders relating to discovery as may be appropriate.
3. **Reply Memoranda.** Parties need not seek leave of court to file a reply memorandum in response to an opposition to any motion, provided that such a reply memorandum does not exceed eight pages, double-spaced, and is filed within seven days (excluding intermediate Saturdays, Sundays, and legal holidays) after service of the opposition memorandum. Parties may otherwise file reply or surreply memoranda only with leave of court. When such leave is sought, the moving party may file a proposed reply or surreply memorandum with the motion for leave.
4. **Status Conferences.** The Court has scheduled a status conference after (or close to) the close of fact discovery for case management purposes. Any party who reasonably believes that a status conference will assist in the management or resolution of the case may request one from the Court upon reasonable notice to opposing counsel.
5. **Additional Conferences.** Upon request of counsel, or at the Court's own initiative, additional case-management or status conferences may be scheduled. Parties may request telephonic conferences where appropriate to avoid undue inconvenience or expense.
6. **Early Resolution of Issues.** The Court recognizes that, in some cases, resolution of one or more preliminary issues may remove a significant impediment to settlement or otherwise expedite resolution of the case. Counsel are encouraged to identify any such issues and to make appropriate motions at an early stage in the litigation.
7. **Pretrial Conference.** Lead trial counsel are required to attend any pretrial conference.
