About IEEE Xplore

IEEE Xplore is the flagship digital platform for discovery and access to scientific and technical content published by the IEEE (Institute of Electrical and Electronics Engineers) and its publishing partners.

IEEE Xplore contains more than 6 million documents and other materials from some of the world's most cited publications in electrical engineering, computer science, and related sciences.

The content in IEEE Xplore comprises:

- Over 1.5 million research articles
- Over 4 million conference papers
- Over 14,000 technical standards
- Over 66,000 books and book chapters
- Over 500 online educational courses

Approximately 25,000 new content items are added to IEEE Xplore each month.

Access to the documents and materials in IEEE Xplore is available through:

- A variety of institutional subscription options
- Individual subscriptions for IEEE members and society members
- eCommerce purchases of individual documents (with discounts for IEEE members)
