Counsel,

The panel reviewed the parties' Motion to Terminate. It appears that Exhibit 2004 is missing Exhibit B to the Confidential Settlement Agreement. Can patent owner please file Exhibit B or confirm that Exhibit B is included in Exhibit 2005?

Subject: RE: IPR2025-00894, -00895, -00896, -00897, -00898, -00900, -00901, -00903, -00904, -00905, -00906, -00907, -00908, -00909, -00910, -00911: Apple Inc. v. Apex Beam Techs. LLC Termination

Counsel,

The parties are authorized to file a joint motion to terminate in each proceeding. The parties should file a true copy of the settlement agreement and any collateral agreements (including any licensing agreements) with the Board. See DTN v. Farms Technology, LLC, IPR2018-01412, Paper 21 (June 19, 2019 PTAB) (precedential) (explaining requirements for filing collateral agreements). The parties should include a statement in the joint motion to terminate that there are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the termination of the proceeding, assuming such statement is correct. Alternatively, if the parties cannot make such a statement, the other agreement(s) should be filed pursuant to 37 C.F.R. § 42.74(b).

The parties also are authorized to file a joint request to treat the settlement agreement as business confidential information in each proceeding. To have the settlement agreement treated as business confidential information under 37 C.F.R. § 42.74(c), the parties must file a true copy of the confidential settlement agreement electronically in Patent Trial and Appeal Board End to End (PTAB E2E) as an exhibit in accordance with the instructions provided on the Board's website (uploading as "Parties and Board Only"). The parties are directed to FAQ G2 on the Board's website at https://www.uspto.gov/sites/default/files/documents/p-tacts_faqs_20221007.pdf for guidance on how to file their settlement agreement as confidential.
