Dear Board,

I write on behalf of Patent Owner Yondr, Inc. in IPR2025-00970 (Patent No. 9,819,788). Patent Owner requests authorization to file the attached order from the parallel district court case no. 1:24-cv-01326-ADA (W.D. Tex.) as an exhibit in relation to Patent Owner's Brief in Support of Discretionary Denial (Paper 7).

Good cause exists for this submission. Petitioner's opposition to Patent Owner's motion for discretionary denial included the following statement and associated exhibit EX-1021: "Indeed, contrary to Yondr's argument, Be Smarter has filed a motion to stay the case (EX-1021)—a motion that Judge Albright has granted in at least 22 other cases. (EX-1022.)" Paper 10 at 18. Patent Owner seeks to ensure that the Board has a complete record, including the district court's denial of the motion to stay.

Patent Owner has conferred with Petitioners, and Petitioners consent to Patent Owner's request for authorization to file the attached order as an exhibit.

Regards,
