ORDER

Before the Court is the Joint Motion to Dismiss (the “Motion”) filed by Plaintiff Advanced Coding Technologies LLC (“Plaintiff”) and Defendants LG Electronics Inc. and LG Electronics U.S.A., Inc. (collectively, “Defendants” and with Plaintiff, the “Parties”). (Dkt. No. 119.) In the Motion, the Parties represent that they “have settled their respective claims for relief asserted in this litigation.” (*Id.* at 1.) The Parties therefore “request that all of Plaintiff’s claims for relief asserted against Defendants herein be dismissed **with** prejudice, and Defendants’ counterclaims

against Plaintiff herein be dismissed **without** prejudice. The Parties further request that all attorneys' fees, costs of court and expenses be borne by each Party incurring same." (*Id.*)

Having considered the Motion, and noting its joint nature, the Court finds that it should be and hereby is **GRANTED**. Accordingly, all of Plaintiff's claims for relief asserted against Defendants are **DISMISSED WITH PREJUDICE**. All of Defendants' counterclaims asserted against Plaintiff are **DISMISSED WITHOUT PREJUDICE**. All attorneys' fees, costs of court, and expenses shall be borne by the party incurring the same. All pending requests for relief between the Parties in the above-captioned case not explicitly granted herein are **DENIED AS MOOT**.

The Clerk of Court is directed to **MAINTAIN AS OPEN** the Lead Case, 2:22-cv-00501-JRG.

So ORDERED and SIGNED this 31st day of May, 2024.

RODNEY GILSTRAP
UNITED STATES DISTRICT JUDGE
