Before COKE MORGAN STEWART, *Acting Under Secretary of  
Commerce for Intellectual Property and Acting Director of the United States  
Patent and Trademark Office.*

DECISION  
Referring the Petition to the Board

*Imperative Care v. Inari Medical*  
IPR2025-01025  
**Imperative Care Ex. 1055**

Inari Medical, Inc. (“Patent Owner”) filed a request for discretionary denial (Paper 5, “DD Req.”) in the above-captioned case, and Imperative Care, Inc. (“Petitioner”) filed an opposition (Paper 7, “DD Opp.”).

After considering the parties’ arguments and the record, and in view of all relevant considerations, discretionary denial of institution is not appropriate in this proceeding. This determination is based on the totality of the evidence and arguments the parties have presented.

In particular, this case presents the same discretionary considerations as those presented in IPR2025-00289. *See Imperative Care, Inc. v. Inari Medical, Inc.*, IPR2025-00289, Paper 9 (Director June 12, 2025) (denying Patent Owner’s request for discretionary denial). Accordingly, that analysis is incorporated here. *Id.* at 2.

The determination not to exercise discretion to deny institution is based on a holistic assessment of all of the evidence and arguments presented. Accordingly, the Petition is referred to the Board to handle the case in the normal course, including by issuing a decision on institution addressing the merits and other non-discretionary considerations, as appropriate.

In consideration of the foregoing, it is:

ORDERED that Patent Owner’s request for discretionary denial is *denied*;

FURTHER ORDERED that the Petition is referred to the Board; and

FURTHER ORDERED that neither party shall file a request for rehearing or Director Review of this decision until the Board issues a decision on institution.
