

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GEOTAB INC. AND GEOTAB USA, INC.,
Petitioners,

v.

FRACTUS, S.A.
Patent Owner.

Case No. IPR2025-01026
Patent No. 11,031,677

**PETITIONERS' MOTION TO SEAL
UNDER 37 C.F.R. §§ 42.14, 42.55**

I. STATEMENT OF RELIEF REQUESTED

Concurrent with filing a Petition for *Inter Partes* review of U.S. Patent No. 11,031,677 (Paper 3, “the Petition”), Petitioners Geotab Inc. and Geotab USA, Inc. (“Petitioners” or “Geotab”) move: (1) for entry of the Board’s Default Protective Order as recited in the Consolidated Trial Practice Guide (“CTPG”), Appendix B; and (2) for the Board to seal these documents and things under the Default Protective Order:

- the unredacted Petition
- the unredacted Declaration of Daniel van der Weide, Ph.D. (Exhibit 1007), and
- Exhibits 1047-1048.

Petitioners file this motion to seal because Patent Owner Fractus, S.A. (“Fractus”) designated the redacted subject matter as confidential under a protective order in *Fractus, S.A. v. Geotab Inc.*, No. 2:24-cv-01008 (E.D. Tex.) (“Geotab Litigation”). Geotab simultaneously files non-confidential versions of the Petition and Exhibit 1007 because confidentiality is alleged as to some but not all of the information in these documents. CTPG, p. 111.

This motion is based on 37 C.F.R. §§ 42.14, 42.55(a), and the Board’s Consolidated Trial Practice Guide, Appendix B.

II. ARGUMENT

Petitioners move to seal the unredacted Petition for *Inter Partes* Review (Paper 3), the unredacted Declaration of Daniel van der Weide, Ph.D. (Ex. 1007), and Exhibits 1047-1048 under the Board’s Default Protective Order because they contain information that Fractus designated as confidential under a protective order in the Geotab Litigation. This information is not publicly available.

Other than the information designated as confidential under the protective order entered in the Geotab Litigation, all other information in the Petition and Exhibit 1007 is visible in the redacted version.

The unredacted Petition for *Inter Partes* Review (Paper 3), the unredacted Declaration of Daniel van der Weide, Ph.D. (Ex. 1007), and Exhibits 1047-1048 are clearly marked as “PROTECTIVE ORDER MATERIAL” pursuant to the Board’s Default Protective Order.

III. CERTIFICATION OF NON-PUBLICATION STATUS

Counsel for Petitioners certify that to the best of counsel’s knowledge the information sought to be sealed by this motion has not been published or otherwise made public.

IV. PETITIONERS REQUEST ENTRY OF DEFAULT PROTECTIVE ORDER

Petitioners request entry of the Default Protective Order (attached hereto as Attachment A). It is respectfully requested that this Default Protective Order govern the materials in this proceeding.

V. CONCLUSION

For the above reasons, Petitioners request that the unredacted Petition for *Inter Partes* Review (Paper 3), the unredacted Declaration of Daniel van der Weide, Ph.D. (Exhibit 1007), and Exhibits 1047-1048 be placed under seal.

Respectfully submitted,
Geotab Inc. and Geotab USA, Inc.

DEFAULT PROTECTIVE ORDER

The following Default Protective Order will govern the filing and treatment of confidential information in the proceeding:

Default Protective Order

This protective order governs the treatment and filing of confidential information, including documents and testimony.

1. Confidential information shall be clearly marked “PROTECTIVE ORDER MATERIAL.”

2. Access to confidential information is limited to the following individuals who have executed the acknowledgment appended to this order:
 - (A) Parties. Persons who are owners of a patent involved in the proceeding and other persons who are named parties to the proceeding.
 - (B) Party Representatives. Representatives of record for a party in the proceeding.
 - (C) Experts. Retained experts of a party in the proceeding who further certify in the Acknowledgement that they are not a competitor to any party, or a consultant for, or employed by, such a competitor with respect to the subject matter of the proceeding.
 - (D) In-house counsel. In-house counsel of a party.

(E) Support Personnel. Administrative assistants, clerical staff, court reporters and other support personnel of the foregoing persons who are reasonably necessary to assist those persons in the proceeding shall not be required to sign an Acknowledgement, but shall be informed of the terms and requirements of the Protective Order by the person they are supporting who receives confidential information.

(F) The Office. Employees and representatives of the United States Patent and Trademark Office who have a need for access to the confidential information shall have such access without the requirement to sign an Acknowledgement. Such employees and representatives shall include the Director, members of the Board and their clerical staff, other support personnel, court reporters, and other persons acting on behalf of the Office.

3. Employees (e.g., corporate officers), consultants, or other persons performing work for a party, other than those persons identified above in (d)(2)(A)–(E), shall be extended access to confidential information only upon agreement of the parties or by order of the Board upon a motion brought by the party seeking to disclose confidential information to that person and after signing the Acknowledgment. The party opposing disclosure to that person shall have the

burden of proving that such person should be restricted from access to confidential information.

4. Persons receiving confidential information shall use reasonable efforts to maintain the confidentiality of the information, including:

(A) Maintaining such information in a secure location to which persons not authorized to receive the information shall not have access;

(B) Otherwise using reasonable efforts to maintain the confidentiality of the information, which efforts shall be no less rigorous than those the recipient uses to maintain the confidentiality of information not received from the disclosing party;

(C) Ensuring that support personnel of the recipient who have access to the confidential information understand and abide by the obligation to maintain the confidentiality of information received that is designated as confidential; and

(D) Limiting the copying of confidential information to a reasonable number of copies needed for conduct of the proceeding and maintaining a record of the locations of such copies.

5. Persons receiving confidential information shall use the following procedures to maintain the confidentiality of the information:

(A) Documents and Information Filed With the Board.

(i) A party may file documents or information with the Board along with a Motion to Seal. The Motion to Seal should provide a non-confidential description of the nature of the confidential information that is under seal, and set forth the reasons why the information is confidential and should not be made available to the public. A party may challenge the confidentiality of the information by opposing the Motion to Seal. The documents or information shall remain under seal unless the Board determines that some or all of it does not qualify for confidential treatment.

(ii) Where confidentiality is alleged as to some but not all of the information submitted to the Board, the submitting party shall file confidential and non-confidential versions of its submission, together with a Motion to Seal the confidential version setting forth the reasons why the information redacted from the non-confidential version is confidential and should not be made available to the public. A party may challenge the confidentiality of the information by opposing the Motion to Seal. The non-confidential version of the submission shall clearly indicate the locations of information that has been redacted. The confidential version of the submission shall be filed under seal. The redacted information shall remain

under seal unless the Board determines that some or all of the redacted information does not qualify for confidential treatment.

(B) Documents and Information Exchanged Among the Parties.

Documents (including deposition transcripts) and other information designated as confidential that are disclosed to another party during discovery or other proceedings before the Board shall be clearly marked as “PROTECTIVE ORDER MATERIAL” and shall be produced in a manner that maintains its confidentiality.

6. Within 60 days after the final disposition of this action, including the exhaustion of all appeals and motions, each party receiving confidential information must return, or certify the destruction of, all copies of the confidential information to the producing party.

(k) Standard Acknowledgement of Protective Order. The following form may be used to acknowledge a protective order and gain access to information covered by the protective order:
