Dear Honorable Director,

Petitioner respectfully requests leave to address *Fintiv* factor 2 in the upcoming supplemental briefing on discretionary denial, in addition to the “alleged examiner error and settled expectations” issues that were previously authorized by the Board on October 1st. Good cause exists because the district court in related Dell litigation recently denied Patent Owner’s request to amend the scheduling order, which bears on the previous briefing with respect to the timing for *Fintiv* factor 2.

Petitioner and Patent Owner have conferred. Patent Owner does not oppose this request.

Respectfully,
Gregory
