CUSTOM-BUILT
RAILCAR

PURE PLAY MANUFACTURER

As a Pure Play manufacturer, we focus on what we do best—
building railcars. This dedication to our craft inspires us to
collaborate with our customers, lessors, and suppliers to deliver
tailored solutions.

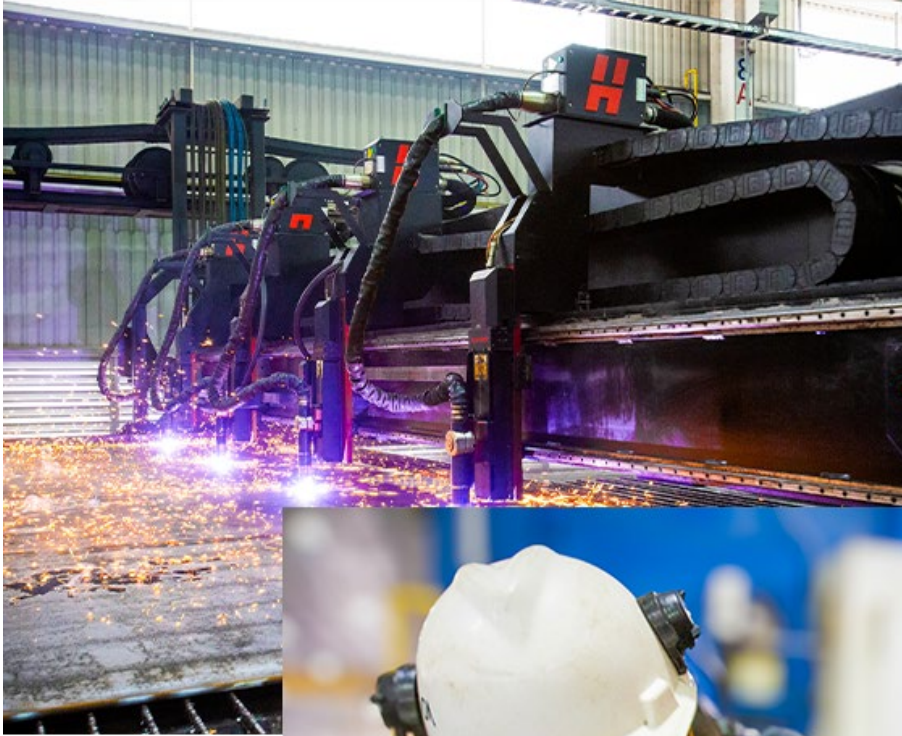

WHERE QUALITY MATTERS

FreightCar America is the only railcar manufacturer that has over 125 years' experience producing cars that have performed on rail for hundreds of millions of miles. With our meticulous craftsmanship, proprietary welding process and quality control procedures, we proudly deliver durable, high-performance railcars

that meet or exceed industry standards. FreightCar America has an unwavering commitment to structural integrity and excellence in every aspect of railcar manufacturing.

PURE PLAY MANUFACTURER

Our facility, processes, engineering and manufacturing are specifically tailored to answer each customer's needs. Our engineering design acumen has produced industry-leading patents and breakthrough advanced features to maximize our customers' investment. We focus on what we do best and inspire our customers, lessors and suppliers to collaborate with us to achieve extraordinary outcomes.

FCA CUSTOMER EXPERIENCE

Our customer-first approach is built on collaboration at every stage—from design and financing to sales, delivery and aftermarket support. From our assembly line to our executive team, we're accessible, hands-on and ready to roll up our sleeves. Our innovation does not end at the railcar; it is woven seamlessly

throughout the entire FreightCar America experience.

TEAM DYNAMICS

At FreightCar America, our success is driven by a team of dedicated professionals who share a common mission: delivering high-quality, precision-engineered railcars that meet the evolving needs of our customers. Our Purpose Built for You philosophy isn't just about manufacturing—it's about people. From our visionary leadership team and expert engineers to our highly regarded manufacturing specialists and customer-focused sales professionals, every member of the FreightCar America team plays a vital role in shaping the future of railcar production.

[MEET THE TEAM](#)

VISION

To be the best heavy-equipment manufacturer, committed to an inspired customer experience, operational excellence and environmental responsibility.

MISSION

Transforming metal into innovative solutions and forging lasting relationships.

OUR VALUES

SAFETY

It is our highest priority and is never to be compromised.

The safety and welfare of our team is our primary focus and an integral part of our culture. We engage every person with creating a safe workplace environment where we look out for one another.

PURPOSE-BUILT

We are committed to serving our customers and providing them with the best products, services and trustful relationships.

From the railcars we manufacture to the services we provide and the relationships we build, we are purpose-built to serve our customers. We align our team to develop solutions that meet unique requirements and challenges.

CUSTOMERS

We are a nimble team that listens, learns and partners with customers.

We actively listen to our customers and continuously grow our knowledge and expertise. It's the only way we can consistently deliver purpose-built railcars that help their businesses succeed.

PASSIONATE EMPLOYEES

Our employees bring commitment, expertise and passion to our customers, and are the heart of our business.

Our employees are the heart and soul of FreightCar America. They bring industry expertise and an unrivalled commitment to customizing the right railcars for our customers, backed by incomparable support at every turn.

ENVIRONMENTAL OWNERSHIP

We support and contribute to the communities in which we work and live.

Being good stewards of our environment and the communities where we work and live is foundational to all we do at FreightCar America. We want to be a positive influence and look for ways to reduce our impact on our surroundings.

QUALITY PROCESS

Kaizen inspires us to learn, improve and measure ourselves.

Our Kaizen-inspired quality process calls for continuous improvement of our products, service, relationships and people. With our collective expertise, state-of-the-art facility and advanced technologies, we deliver excellence in all that we do.

EMPLOYEE CULTURE

At FreightCar America, our employees are the heart of our business, bringing passion, expertise and commitment to our customers. We prioritize environmental stewardship and actively support the communities where we live and work. United by a shared purpose beyond paychecks, we celebrate diverse

backgrounds and foster a culture that values individuality, well-being and competitive benefits. As we transform and grow, we're seeking top talent to drive a new era of excellence.

SUSTAINABILITY

At FreightCar America, we are committed to sustainable growth by minimizing environmental impact through innovative railcar designs and repurposing materials to reduce energy use and emissions. We prioritize the health, safety and well-being of our employees while fostering an inclusive workplace and supporting professional development. Caring for people, communities and the environment is central to our long-term success.

COME JOIN OUR TEAM

FreightCar America is a destination for those dedicated to delivering unmatched quality, service and expertise. Our purpose-built, state-of-the-art railcar facility in Castaños, Mexico, is home to a talented, highly experienced workforce that meticulously manufactures our entire line of premium railcars. From our leadership team and their deep industry knowledge to our customer-focused sales team and manufacturing experts, the FreightCar family is the best of the best. Come join us!
