DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76)

Title of
Invention

GONDOLA CAR CLEAN-OUT DOOR

As the below named inventor, I hereby declare that:

This declaration
is directed to:

The attached application, or

United States application or PCT international application number 16/031,410

filed on 07/10/2018

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

ASSIGNMENT

I. WHEREAS, I, Dave Single, Residing in Portage, County of Cambria, Commonwealth of Pennsylvania, have invented certain new and useful improvements in GONDOLA CAR CLEAN-OUT DOOR, described and claimed in United States Provisional Patent Application filed April 10, 2014 and bearing the United States Patent and Trademark number 61/977,753, and International PCT Patent Application filed April 10, 2015 and bearing the United States Patent and Trademark number PCT/US15/25475, United States Regular Patent Application filed October 11, 2016 and bearing the United States Patent and Trademark number 14/15/289,466, and United States Regular Patent Application filed July 10, 2018 and bearing the United States Patent and Trademark number 16/031,410, (herein "said applications");

II. AND, WHEREAS JAC Operations, Inc., a corporation of Delaware, having a place of business at Two North Riverside Plaza, Suite 1300 Chicago, Illinois 60606 is desirous of acquiring the entire right, title, and interest in and to said trademarks and patents and patent applications.

III. NOW, THEREFORE, for good and valuable consideration paid to me by said assignee, the receipt of which is hereby acknowledged, I do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said applications and the inventions and improvements therein disclosed for the United States and all foreign countries and all regular applications claiming the benefit of said applications, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said regular applications claiming the benefit of said applications and said divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

IV. I covenant that I am the lawful owners of the said applications, inventions and improvements, that the same are unencumbered except as the undersigned might be otherwise obligated to the assignee, that no license has been granted to make, use, or sell the said inventions or improvements or any of them, and that I have the full right to make this assignment.

V. And for the consideration aforesaid, I agree jointly and individually that I will communicate to said assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all regular, divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned.

VI. I, the undersigned hereby assign my entire right, title and interest as set forth in sections I-V above.

This assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
