Details :

Titanium monoxide (Chemical formula: TiO)

Shape		Color	Purity	Package	Storage	
Sinter	Tablet	9×5 mm Upon demand	Golden yellow	99.99%	1 KG/Bag	Avoid exposure to sunlight & acid Keep dry
	Granule	1-3 mm, 3-5 mm				
	Pillar	Upon demand				

Properties

CAS No.	Density (g/cm ³)	Evaporation Temperature(°C)	Refractive Index at 550nm	Transparency Range(μm)	Evaporation Source
12137-20-1	4.93	2200	2.2~2.3	0.4~12	RE,RS
Applications	AR coating; Beam Splitter; Cold light coating filter; HR coating; Glasses coating				
Remark	Specification upon exact demand
