The Exclusive License granted by Licensor to Licensee herein applies only to the Licensed Property insofar as it will be developed into a Game Table by Licensee to be placed by Licensee in land-based/brick-and-mortar casinos situated in the Territory. Accordingly, nothing stated herein or elsewhere in the Agreement shall be interpreted or otherwise construed, so as to limit in any way or fashion Licensor’s unfettered right to licence the Licensed Property for real-money-wagering online, including (but not limited to) offering the Licensed Property to land-based casinos situated in the Territory exclusively for real-money-wagering online but not for wagering by players in the land-based casinos.

(b) The Licensee may not, either directly or indirectly, without the prior written consent of Licensor (such consent to be given, conditioned or withheld by Licensor in its sole discretion): (i) sell, assign, license, lease, rent, loan, lend, transmit, network or otherwise distribute, transfer or make available the Licensed Property except as permitted under the terms of this Agreement; (ii) make any modifications or improvements to the Licensed Property except for purposes connected with this Agreement and after prior written authorisation from Licensor which authorisation shall not be unreasonably withheld, delayed or conditioned; (iii) modify, remove or obscure any proprietary notices placed on the Game Table(s); (iv) use the Licensed Property for any purpose other than in strict accordance with this Agreement or in a way that could adversely affect Licensor’s name, image or reputation; (v) include in the Game Table(s) any material that is obscene, defamatory, or which incites or encourages racism in such manner as to adversely affect the name, image or reputation of the Licensor; and (vi) place, permit or allow any advertising of the Game Table(s) in contravention of any applicable law, such as on websites or other media or other digital properties which encourage or facilitate crime, such as those which encourage or facilitate the unlawful use of intellectual property rights (such as by so-called file-sharing sites or otherwise).

(c) Development Costs; support; maintenance of Game Table(s). All and any Development Costs shall be borne by the Licensee. The Licensee shall ensure that the Game Table(s) are certified by reputable certification labs in the Territory. Licensor’s role in relation to the Development Costs shall be limited to providing all reasonable support to the Licensee in a timely manner. Any and all maintenance and servicing of the Game Table(s) (including replacement of any unserviceable Game Table(s)) shall, likewise, be carried out by the Licensee and the costs thereof shall be borne by the Licensee.

(d) Launch Date. By the Launch Date, Licensee shall (i) submit the Game Table(s) for regulatory approval in accordance with the provisions of the Agreement and (ii) have placed at least one (1) Game Table in a land-based casino in the Territory for real-money wagering.

(e) Exclusivity. The foregoing rights shall be exclusive to Licensee in the Territory for as long as the Minimum Performance Requirements are met (hereinafter the “**Exclusivity Term**”). In the event that Licensor opts not to terminate

Execution version

the Agreement pursuant to this clause, and the Exclusive License shall have converted to a Non-Exclusive License as provided herein, the Licensee shall retain the rights to sub-license non-exclusive rights to third parties.

(f) Non-Compete. For as long as the Licensee maintains an Exclusive License under this Agreement, Licensors may not themselves use or license the Licensed Property to any third parties for the purpose of creating physical table games competitive with the Game Table(s).

(g) Minimum Performance. [REDACTED]

(h) Know-How Transfer. Within a reasonable time after signing this Agreement, Licensors shall disclose and transfer to Licensee all of the Know-How and other Licensed Property that is necessary or helpful for Licensee to develop and manufacture the Game Table(s) based thereon.

(i) Sub-contracting. The Licensee may sub-contract any of the works relative to the development and manufacture of the Game Table(s) under this Agreement, provided such sub-contracting is done in favour of sub-contractors approved by the Licensors (such approval not to be unreasonably withheld, conditioned or delayed). The Licensors may, from time to time, provide the Licensee with a list of nominated sub-contractors already approved by the Licensors (the "**List of Nominated Sub-Contractors**"). If and when such List of Nominated Sub-Contractors is provided to the Licensee, it shall be deemed to be incorporated in the Agreement. Any subsequent nomination by the Licensee in variation of this list shall be communicated in writing to the Licensors fifteen (15) days prior to the engagement date of such sub-contractor. This nomination will be subject to the approval of the Licensors (not to be unreasonably withheld, conditioned or delayed). In any event in which such nomination is not disapproved in writing within a period of ten (10) days from the written notice of Licensee then such nomination shall be deemed as approved and, as such, as being extended to the List of Nominated Sub-Contractors for the sole and specific work activity that this sub-contractor was nominated for. Provided that any approval of a proposed sub-contractor by the Licensors shall not relieve in any manner the Licensee from the performance and fulfilment of the entire contractual obligations in terms of the Agreement.

(j) Use of Licensed Property in Game Tables. The use of the Licensed Property by the Licensee in Game Tables under or by virtue of this Agreement shall be subject to Licensors' approval. The Licensee shall submit any such proposed use of the Licensed Property for approval prior to using the Licensed Property in any manner. Licensors will approve or object to the proposed use in writing within ten (10) Business Days. In the event Licensors does not respond within such ten (10) Business Days, the proposed use shall be deemed approved. If Licensors objects to the proposed use, Licensors will state why the proposed use was disapproved and the required changes that, if made, would enable the proposed use to be approved. Once a particular use is approved, all subsequent use in the manner submitted for approval shall also be deemed approved unless subsequently rejected by the Licensors. However, if the Licensee revises the approved material, it must submit the new version of such material for approval before use.

(k) Other Licensee Products. Nothing herein shall preclude Licensee from making and commercializing its own products or content on Game Table(s) or otherwise. Such products or content shall not get the benefit of the license herein and shall not be subject to the rights and obligations set forth herein.

(l) Right of first negotiation and first refusal for ETG License. If Licensor wishes to license the Licensed Property for use on or in connection with ETGs (“**ETG License**”), Licensor agrees to exclusively negotiate with Licensee on such ETG License for a sixty (60) day period commencing from the date on which Licensor provides Licensee with written notice of a desire to enter such ETG License. If the parties are unable to reach an agreement on such ETG License within said sixty (60) day period, Licensor may grant an ETG License to a third party subject to a right of first refusal by Licensee (“**Optionee**”) to match the terms of the ETG License that Licensor (“**Optionor**”) would otherwise accept from the third party. The Optionor shall send written notice to the Optionee of its intention to conclude the ETG License with such third party setting out with reasonable detail the terms of the proposed agreement and the Optionee shall have ten (10) days from such notice to meet the terms of the proposed agreement by written notice to the Optionor. In the event that the Optionee fails to reply within said ten (10) day period, the Optionor shall conclude the ETG License with the third party. It is expressly understood and agreed that Licensor will be free to negotiate an ETG licence of a suite of its games (including the Licensed Property) with a third party (and, accordingly, Licensor will not be bound by any such rights of first negotiation and of first refusal).

3. Royalty.

(a) Royalty. Subject to Section 3 paragraph (b) below, as from the Launch Date, Licensee shall pay the Royalty to Licensor on a monthly basis. The Licensee shall pay the Royalty by ACH bank transfer from an account held by the Licensee with a reputable bank in the Territory to an account nominated by the Licensor, no later than thirty (30) days after the end of each month.

(b) Provisional Royalty. Without prejudice to Section 3 paragraph (a) above, in jurisdictions where Licensor needs a gaming license in order to receive the Royalty based on AGGR and Licensor does not possess such a license, the Licensee shall (i) in lieu of the Royalty; (ii) on a provisional basis until such time as the Licensor obtains the licence/s required to be able to receive the Royalty, pay a Provisional Royalty. In the event that Licensee is still precluded by applicable laws, regulations or Gaming Authorities from paying the Provisional Royalty, the parties will promptly meet in good faith to find a suitable work-around to enable the Licensor to receive the Royalty.

(c) Calculation of Royalty/Provisional Royalty. Licensee shall provide Licensor with monthly written reports and Royalty payments within thirty (30) days after the end of each month during the term of this Agreement, stating in each such report the number and location of Game Table(s) placed pursuant to this Agreement and the Setup Fees, Revenues and AGGR generated from each and every Game Table(s) during the preceding month. If no Royalty is due and payable, Licensee shall so report, and Licensee shall not be required to furnish a first written report until Royalties have begun to accrue. All payments made hereunder shall be paid by Licensee to Licensor in United States dollars for commercial placements of Game Table(s) in the United States and Euros for commercial placements of Game Table(s) in Europe.

(d) Failure to pay Royalty/Provisional Royalty. If the Licensee fails to pay any amount payable by it under this Agreement by the due date and such failure persists for fifteen (15) days from such due date Licensor shall be entitled, but not obliged, to: (i) charge interest on the overdue amount, from the due date up to the date of actual payment, at the rate of ten percent (10%) per annum, provided that the interest shall not exceed the maximum allowed by law; (ii) immediately suspend the licence of the Licensed Property to the Licensee until Licensor has received the full amount of arrears in its nominated account in cleared funds; and/or (iii) terminate this Agreement by written notice to the Licensee to that effect as set out in Section 8(b)(ii).

(e) Recordkeeping and Reports. Licensee shall keep, for no less than five years, full and accurate records and books of account of all particulars necessary for calculating the amounts of royalties due to Licensor hereunder.

(f) Audit Right of Licensor. Upon not less than thirty (30) days prior written notice to Licensee, Licensor shall have the right to appoint a qualified, independent licensed auditor, reasonably acceptable to Licensee, to examine the business records of Licensee, no more than once per year, for the sole purpose of verifying the accuracy of the royalty payments made to Licensor by Licensee under this Agreement. Such auditor shall enter into a confidentiality agreement with Licensee and such examination shall be conducted during Licensee's regular business hours. All expenses of such examination shall be borne by Licensor; provided, however, that, if any such examination determines that amounts due to Licensor hereunder have been underpaid by [REDACTED] or more for the audited period, then Licensee shall pay all reasonable costs of the examination. If the examination uncovers overpayments, the party that received the overpayment will immediately refund the overpayment. If the examination uncovers an underpayment, the party that underpaid will promptly pay the difference between the amount paid and the amount owed. The parties will meet within thirty (30) days after completion of the examination to discuss how best to respond to any areas of concern identified by the examination.

(g) Audit Right of Licensee. In the event Licensee has reason to believe that Licensor has breached any one or more of the undertakings in Section 9(a)(viii) – (x) both inclusive, Licensee shall notify Licensor in writing thereof providing Licensor with reasonable details of such alleged non-compliance and the reasons (together with any documentary supporting evidence relative thereto to the extent possible) on which it has concluded that a breach may have occurred and Licensor shall (i) without undue delay provide Licensee (or its representatives) with access to Licensor's books and records to enable Licensee (or its representatives) to assess any potential non-compliance and (ii) reasonably cooperate in any related investigation, including making any employees reasonably available for interviews. All costs relative to such investigation will be borne by the Licensee.

(h) Taxes. All amounts payable under this Agreement are exclusive of value added taxes, usage, excise, sales, income or all other similar taxes and shall be paid free and clear of all deductions and withholdings whatsoever.

4. Quality Controls. Licensor shall have the right to and shall control the nature and quality of the Game Table(s) and of the Licensee's use of the Licensed Property in the Game Table(s). Licensor shall co-operate with Licensee with respect to the manufacture of the Game Table(s). To assure itself that Licensee's use of the Licensed Property in the Game Table(s) complies with Licensor's written specifications and quality standards, including Statement of Work, upon reasonable notice, Licensor shall have the right at all reasonable times during normal business hours to inspect production samples of the Game Tables. Licensee shall correct to Licensor's reasonable satisfaction any deficiencies in the nature or quality of the Game Table(s) according to written instructions provided by Licensor.

5. Game Table(s) Labelling. Licensor shall have the option of including the statement on the Game Table(s), "Manufactured Under License from *Evolution Gaming*" on each individual Game Table(s) manufactured under this Agreement. Licensee shall have the option to list "*Patent Pending*" on the Game Table(s) label and put the relevant patent numbers on the products when relevant patents are issued.

6. Compliance with Law. Licensee and any sub-licensees shall comply, at all times, with applicable and documentable local, state, federal, foreign and international laws, ordinances, and

Licensee and any sub-licensees shall strictly comply with the laws, rules and regulations of any Gaming Authority. If, at any time, the Licensee or any sub-licensee is found to have violated any law, ordinance, or regulation, the Licensor shall notify Licensee, or any sub-licensee of the alleged violation. If in fact there is deemed to be a violation and such violation is capable of remedy, Licensee shall be given a reasonable period to remedy the violation and comply. If after such reasonable period Licensee or sub-licensee does not comply, Licensor reserves the right to terminate this Agreement with immediate effect upon written notice to the Licensee. If there is deemed to be a violation and such violation is not capable of remedy, Licensor reserves the right to terminate this Agreement with immediate effect upon written notice to the Licensee. It is understood and agreed that any violation that is not remedied by the Licensee within forty five (45) days of notice thereof will be deemed a violation that is not capable of remedy within the context of the meaning ascribed to such phrase in this section.

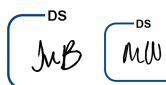

7. Confidentiality.

(a) Confidential and Proprietary Information.

(i) Licensor Obligations with Respect to Licensee Confidential Information. Licensor agrees to hold all confidential information of Licensee and its Affiliates, including without limitation, any information relating to Licensee's and its Affiliates' business operations, price lists, manufacturing data, marketing information strategies, customer or product lists, research and development information and all other information disclosed by Licensee or its affiliates to Licensor ("**Licensee Confidential Information**"), in strict confidence and not to use any of the foregoing commercially for its own benefit or that of anyone else nor for the purpose of developing or improving a product or method for anyone except Licensee. Licensor agrees to limit dissemination of and access to Licensee Confidential Information only to the persons within Licensor who have a need for access thereto, and who have entered into a restrictive agreement prohibiting such personnel from doing anything with respect to Licensee Confidential Information that Licensor would itself be prohibited from doing under this Agreement.

(ii) Licensee Obligations with Respect to Licensor Confidential Information. Licensee agrees to hold all confidential information of Licensor, including without limitation, any information relating to Licensor's business operations and all other information disclosed by Licensor ("**Licensor Confidential Information**"), in strict confidence and not to use any of the foregoing commercially for its own benefit or that of anyone else. Licensee agrees to limit dissemination of and access to Licensor Confidential Information only to the persons within Licensee, and their respective third party contractors, subcontractors, manufacturers and business partners who have a need for access thereto, who have been approved pursuant to Section 2 paragraph (i) and who have entered into a restrictive agreement prohibiting such personnel from doing anything with respect to Licensor Confidential Information and such information that Licensee would itself be prohibited from doing under this Agreement.

(b) Use of Confidential Information of Other Parties. Each party represents, warrants, and covenants that it will not use in the course of its performance under this Agreement, or disclose to the other parties hereto, any confidential or proprietary information of any third party without the prior written consent of the party to whom such confidential or proprietary information belongs.

Execution version

(c) Disclosure Does Not Constitute a License. Neither the execution of this Agreement nor the disclosure of any confidential or proprietary information by one party to the other hereunder shall be construed as granting to the recipient of such information, by implication or otherwise, any right in, or license to, any present or future proprietary information, patent, trademark, copyright invention, now or hereinafter, owned or controlled by the disclosing party, except as provided in this Agreement.

(d) Exceptions. The obligations on a party set out above shall not apply to any information which:

- (i) is publicly available or becomes publicly available through no act or omission of the recipient party;
- (ii) the recipient party is required to disclose by order of a court of competent jurisdiction;
- (iii) is in the recipient party's written records at the time of disclosure other than as a result of the recipient party's breach of any legal obligation;
- (iv) becomes known to the recipient party through disclosure by sources having the legal right to disclose such information; or
- (v) is independently developed by the recipient party without the use of the other party's Confidential Information.

(e) Survival. The provisions regarding Confidential Information shall survive the expiry or earlier termination of this Agreement, as the case may be.

8. Term and Termination

(a) Term. The term of this Agreement began on the Effective Date and shall remain in effect subject to the provisions set forth in this Agreement for a period of five (5) years (the "**Term**"). In the event that the Agreement is not terminated during the initial term, it will be automatically renewed for successive one (1) year terms unless terminated by either party at least thirty (30) days prior to the end of the then-current term; provided, however, that the Term shall end (i) upon one of the events of termination set forth in the Section 8(b) and/or 8(c) and/or 8(d), or (ii) upon the mutual consent of the parties hereto.

(b) Termination by Licensor. This Agreement may be terminated by Licensor prior to the end of the Term as follows:

(i) Upon a Bankruptcy Event of Licensee, Licensee shall notify Licensor thereof within one (1) business day thereof, and Licensor may elect to terminate the Agreement by giving written notice to Licensee within ten (10) days of that notice.

(ii) Upon a material breach of this Agreement by Licensee, Licensor may give notice to Licensee of such breach. Any failure for whatsoever reason to pay the Royalty will be deemed a material breach. If Licensee fails to cure (a) any material breach excluding failure to pay the Royalty within sixty (60) days or (b) any material breach consisting of failure to pay the Royalty within thirty (30) days of such notice, then this Agreement may be terminated by Licensor at any time during the (30) thirty period (the "**Licensor Termination Period**") that begins on the sixtieth (60th) or thirtieth (30th) day following such notice, as the case may be, by giving written notice of such termination to Licensee before the expiration of the Licensor Termination Period. Licensor's failure to terminate this

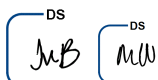

EXHIBIT 1
Page 13

Execution version

Agreement during the Licensor Termination Period will constitute a waiver of Licensor's rights to terminate this Agreement by reason of the applicable breach.

(iii) Upon written notice to be sent within sixty (60) days after the relevant year following Licensee's failure to comply with the Minimum Performance during any one calendar year.

(c) Termination by Licensee. This Agreement may be terminated by Licensee prior to the end of the Term as follows:

(i) Upon a Bankruptcy Event of Licensor, Licensor shall notify Licensee thereof within one (1) business day thereof, and Licensee may elect to terminate the Agreement by giving written notice to Licensor within thirty (30) days of that notice. However, in the event that Licensor files for Bankruptcy, Licensee shall retain rights as outlined in Section 8(e) below.

(ii) Upon a material breach of this Agreement by Licensor, Licensee may give notice to Licensor of such breach. If Licensor fails to cure such breach within sixty (60) days of such notice, then this Agreement may be terminated by Licensee at any time during the period that begins on the sixtieth (60th) day following such notice and ends on the ninetieth (90th) day following such notice (the "**Licensee Termination Period**") by giving written notice of such termination to Licensor before the expiration of the Licensee Termination Period. Licensee's failure to terminate this Agreement during the Licensee Termination Period will constitute a waiver of Licensee's rights to terminate this Agreement by reason of the applicable breach.

(d) Termination by both Parties. If, during the term of this Agreement, (a) a party is notified by any regulatory agency that the conduct of business with the other party will jeopardize such party's, or any of its Affiliate's, license or ability to be licensed or (b) if a party (acting reasonably) concludes that the other party fails to meet the above criteria, the Agreement shall terminate upon written notice by such party to the other.

(e) Effect of Termination. Upon the expiry or earlier termination of the Agreement for any reason, as the case may be, Licensee agrees that all Game Table(s) in the field shall, unless otherwise agreed, be removed by Licensee by no later than six (6) months from such date of expiry or termination subject to Licensee continuing to pay the Royalty on such Game Tables and thereafter cease using the Licensed Property. The Minimum Royalty shall not apply after the date of expiry or termination. No termination of this Agreement shall affect the rights of Licensor to accrued Royalties and to statements of account with any royalty payment that is made after the termination date.

(e) No Liability for Termination. Neither party in exercising its rights to terminate this Agreement in accordance with the terms and conditions hereof shall incur any liability whatsoever for any damage, loss or expense of any kind suffered or incurred by the other (or for any compensation to the other) arising from or incident to any such termination (except if such termination is for a material breach of this Agreement), whether or not the terminating party is aware of any such damage, loss or expense. Any termination hereof shall not impair any rights nor discharge any obligations which have accrued to the parties as of the effective date of such termination.

(f) No liability for indirect, special or consequential loss. Neither party shall be liable to the other under or in connection with this Agreement (explicitly including any failure to comply with a warranty obligation or indemnity agreed), whether in contract, tort (including negligence), misrepresentation, breach of statutory duty or otherwise for any indirect, special or consequential loss of any kind or any loss of opportunities, loss of income, actual or anticipated profits, loss of business or contracts, loss of goodwill or reputation, loss of anticipated savings, loss of damage to or corruption

damages which are to be covered by Licensor as indemnitor. If Licensor fails to defend against any such claim or allegation in a timely manner, the Licensor Indemnified Party may defend themselves without waiving their right to defense or indemnification. This provision shall survive any termination or expiration of this Agreement.

(b) Licensee's Indemnification. Licensee agrees to indemnify, defend and hold harmless Licensor and Licensor's successor, assigns, officers, directors, employees and agents (each, a "**Licensee Indemnified Party**") from and against any and all Losses (as defined in Section 10(a) above) incurred or suffered by any Licensee Indemnified Party arising out of, in connection with or resulting from any third party claim, allegation or judgment as to: (i) any defects or alleged defects in the Game Table(s); or (ii) any inaccuracy or breach in any of Licensee's representations and warranties under this Agreement; or (iii) any violations of laws, ordinances, or regulations by Licensee or its Affiliates. Additionally, Licensee shall assume full responsibility for the manufacturing, distribution, marketing, advertising and sale of the Licensed Property and shall indemnify and hold Licensor harmless with respect to any and all Losses, including product liability or strict liability in tort, caused by any defects or alleged defects in the Game Table(s), even if such Losses arise after termination of this Agreement. Licensee shall obtain and maintain, at its expense throughout the Term and for one (1) year thereafter, adequate insurance covering any claims or suits arising out of the sale or distribution of Game Table(s) bearing the Licensed Property, said insurance, with minimum insured limits of [REDACTED] to name Licensor as an additional insured party. The total liability of the Licensee under or in connection with this Agreement (explicitly including any failure to comply with a warranty obligation or indemnity agreed with the Licensor) whether in contract, tort (including negligence), misrepresentation, breach of statutory duty or otherwise shall not exceed the greater of: (i) the monies thus far paid to the Licensor by the Licensee under this Agreement; or (ii) [REDACTED] for any one event or series of connected events. Licensee shall have the right to undertake and control the defense and settlement of any such claim or allegation in its name and/or in Licensor's name provided that no settlement will be inconsistent with or result in Licensor having rights less than those granted to Licensor under this Agreement and provided further that no settlement in Licensor's name will admit liability or bind Licensor to anything more than monetary damages which are to be covered by Licensee as indemnitor. If Licensee fails to defend against any such claim or allegation in a timely manner, the Licensee Indemnified Parties may defend themselves without waiving their right to defense or indemnification. This provision shall survive any termination or expiration of this Agreement.

11. Intellectual Property

(a) Ownership of Product Rights/Intellectual Property Rights. Notwithstanding anything contained in this Agreement to the contrary, the Licensed Property, but expressly excluding all Licensee Materials, shall be and remain Licensor's or Licensor's designee's sole and exclusive property.

(b) Notice of Infringement. Licensee shall promptly notify Licensor of any actual or apparent infringement of the Licensed Property of which Licensee becomes aware. Licensor shall prosecute any suit that is reasonably necessary or appropriate to protect any of Licensor's rights to the Licensed Property from and against infringement by third parties and, at Licensor's expense, Licensee shall cooperate fully with Licensor in connection with any such action. If Licensor fails to do so within sixty (60) days of written request by Licensee, Licensee may pursue such action, the reasonable cost of which will offset any payments due to Licensor under this Agreement, and Licensee shall be entitled to keep all recoveries from such action.

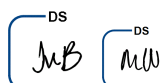

EXHIBIT 1

(c) No circumvention. While the license herein is an Exclusive License, Licensee shall not do or cause anything to be done, within the scope of the Exclusive License, that would cause or, otherwise, result in Licensor's rights in and to the Licensed Property or otherwise deriving from the Agreement being circumvented in any manner or form.

(d) No registration. At no time during the Term or six (6) months thereafter shall Licensee, its Affiliates and their respective officers, directors, members, shareholders, employees or representatives apply for, or obtain, registration of (a) any Licensed Property; or (b) any trademark, copyright, or trade dress that consists of, or comprises, or is confusingly similar to any of the Licensed Property for any goods or services in any country where, at the relevant time, Licensor has protectable rights in and to the applicable Licensed Property; or (c) any trademark containing the name "Lightning Roulette" in any country.

12. Derivative Works. Licensee shall promptly disclose any Derivative Works and the like to Licensor.

13. Survival. Any provision of this Agreement which contemplates performance or the existence of rights or obligations after the termination of this Agreement shall expressly survive such termination of this Agreement and shall be binding upon the party or parties obligated thereby in accordance with the terms of this Agreement, subject to any limitations expressly set forth in this Agreement.

14. Amendment or Waiver. This Agreement cannot be changed orally, and no modification of this Agreement shall be recognized nor have any effect, unless the writing in which it is set forth is signed by Licensor and Licensee, nor shall any waiver of any of the provisions of this Agreement be effective unless in writing and signed by the party to be charged therewith. The failure of either party to enforce, at any time or for any period of time, the provisions hereof, or the failure of either party to exercise any option herein shall not be construed as a waiver of such provision or option and shall in no way affect that party's right to enforce such provisions or exercise such option. No waiver of any provision hereof shall be deemed a waiver of any succeeding breach of the same or any other provisions of this Agreement.

15. Dispute Resolution; Governing Law; Injunctive Relief.

(a) The parties shall use their respective commercially reasonable efforts to resolve by mutual agreement and pursuant to this Section, any dispute, controversy or claim (collectively, "**Claim**") which may arise out of or in connection with this Agreement.

(b) Negotiation Between Executives. The initiating party shall give written notice of the Claim to the other Party, describing in reasonable detail the nature of the Claim and identifying an individual with authority to settle the dispute on its behalf. The responding party shall have ten (10) days from the date of receipt of such notice within which to designate, in a written notice given to the initiating party, an individual with authority to settle the Claim on its behalf. The individuals so designated shall be known as the "**Authorized Individuals**". Within ten (10) days after the Responding Party's delivery of its notice, the Authorized Individuals of both Parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to exchange relevant information and to attempt to resolve the Claim. If an Authorized Individual intends to be accompanied at a meeting by an attorney, the other Authorized Individual shall be given at least five (5) working days' notice of such intention and may also be accompanied by an attorney. If the Claim has not been resolved within sixty (60) days of the initiating party's notice, either Party may initiate arbitration of the Claim as provided hereinafter.

EXHIBIT 1

(c) Arbitration. Any Claim not resolved as stated above, and which arises out of or in connection with this Agreement, shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by three arbitrators appointed in accordance with the said Rules. The third arbitrator, who shall act as president of the arbitral tribunal, shall be jointly nominated by the other two arbitrators within thirty (30) days of the appointment of the second arbitrator. If the president of the arbitral tribunal is not nominated within this time period, then the Court shall appoint such arbitrator. The seat of arbitration shall be London, England. The arbitration shall be conducted and the award shall be rendered in the English language. This arbitration agreement shall be construed in accordance with and governed by the laws of the State of Nevada in respect of all matters with the sole exception of matters relating to infringements of IP of the Licensed Property that shall be construed in accordance with and governed by the laws of the territory where the IP is held and allegedly infringed, without recourse to any choice of law statutes or rules.

(c) Paragraphs 15(a) to (c) shall however not in any way limit Licensor's freedom to enforce its rights under this Agreement in respect of any dispute relating to non-payment of the Royalty and/or in relation to the Licensed Property, in any jurisdiction. By agreeing to arbitration, the parties do not intend to deprive any court of competent jurisdiction of its ability to issue any form of provisional remedy, including a preliminary injunction, or order any interim or conservatory measure. A request for such provisional remedy or interim or conservatory measure by a Party to a court shall not be deemed a waiver of the agreement to arbitrate under this Section 15.

(d) Injunctive Relief. Each of the parties acknowledge and agree that the other parties will be damaged irreparably if any of the provisions of this Agreement (specifically including the obligations of confidentiality set forth in paragraph 7 herein) are not performed in accordance with their specific terms or otherwise are breached. Accordingly, notwithstanding any other provision in this Agreement the damaged party shall have the right to pursue a claim for injunctive relief, damages and attorneys' fees in arbitration for the other party's breach of any covenant, agreement or obligation.

(e) Fees. The prevailing party in any arbitration shall be entitled to receive its reasonable costs and expenses, including reasonable attorneys' fees.

16. Counterparts. This Agreement may be executed in multiple counterparts, which taken together shall constitute one instrument and each of which shall be considered an original for all purposes.

17. Notices. Any and all notices permitted or required to be given hereunder shall be deemed duly given: (i) upon actual delivery, if delivery is by hand; (ii) upon delivery by overnight express courier (i.e. DHL or FedEx); or (iii) upon email transmission, so long as the recipient confirms receipt of the email, or the original is then sent by overnight express courier delivery. 18. Binding Effect; Non-Assignability. This Agreement shall be binding upon and enforceable against the parties hereto and their respective successors and permitted assigns. Neither party shall assign its rights and obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld; provided, however, that either party may assign this Agreement to an Affiliate of such party.

19. Relationship of the Parties. The parties are and at all times shall be deemed to be independent contractors. Nothing contained herein shall be construed as creating the relationship of employer/employee or principal/agent. Each party shall assume full responsibility for the actions of its employees as related to the party's obligations under this Agreement. Neither party to this Agreement is hereby constituted an agent of the other for any purpose and neither party has the authority to assume or create any obligation, or to make any representation, warranty or guarantee for the other, except as expressly granted or made in this Agreement.

20. Entire Agreement. This Agreement contains the sole and complete understanding of the parties related to its subject matter for the Licensed Property.

21. Remedies Not Exclusive. No remedy conferred by any of the specific provisions of this Agreement is intended to be exclusive of any other remedy, and each and every remedy will be cumulative and will be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies will not constitute a waiver of the right to pursue other available remedies.

22. Third Party Beneficiaries. No person or entity shall be a third-party beneficiary of this Agreement.

23. Press releases. A party may, with the prior written consent of the other party, issue a press release or make a public statement with respect to this Agreement, except that a party may disclose this Agreement without the other party's consent to the extent as may be required by applicable law or any listing regulations and/or agreements concerning its publicly traded securities.

24. Anti-bribery and anti-corruption. Either party will comply strictly with all applicable laws and regulations relating to anti-bribery and anti-corruption. Either party shall have and maintain in place throughout the term of this Agreement its own policies and procedures to ensure compliance with all applicable laws and regulations relating to anti-bribery and anti-corruption.
