

UNITED STATES DISTRICT COURT
DISTRICT OF DELAWARE

No. 1:24-cv-00507

Smart Denture Conversions, LLC,
Plaintiff,

v.

Straumann USA, LLC,
Defendant.

ORDER

The parties filed a stipulation to stay this case pending the resolution of an *inter partes* review (No. IPR2025-00956) of U.S. Patent No. 11,937,992 or the resolution of a post-grant review of U.S. Patent No. 12,156,781, whichever is later. Doc. 100. The post-grant review has not been instituted and remains pending before the U.S. Patent and Trademark Office Patent Trial and Appeal Board (PTAB). Accordingly, that motion (Doc. 100) is granted, and defendant's motion to stay (Doc. 68) is denied as moot.

It is ordered that this case is **administratively closed**. Within seven days of the PTAB's issuance of its final decision in the *inter partes* review or, if instituted, the PTAB's issuance of its final decision in the post-grant review, defendant shall file a notice with the court so that this case may be reopened and other appropriate action may be taken.

So ordered by the court on December 4, 2025.

J. CAMPBELL BARKER
United States District Judge
