**CAUTION:** This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board and Director,

For the reasons detailed below, the parties respectfully request relief from the Board's November 13 deadline to move to terminate (*E.g.*, IPR2025-01229, Ex. 3101), and request permission to make a renewed request to file motions to terminate the subject proceedings once the terms of the settlement agreement have been finalized and completed. The parties apologize for the confusion created by their earlier joint email.

On November 4, the Board authorized the parties to file, by November 13, a joint motion to terminate, including a request to keep confidential the settlement papers. *Id.* This authorization was responsive to the parties' November 3 notice that they had reached a settlement in principle and that, upon finalizing and completing the terms of the settlement, they expected to seek leave to file motions to terminate. *Id.* The parties have yet to finalize the terms of their agreement but continue working on those terms, which they expect to be finalized and completed soon but not prior to November 13.

Accordingly, the parties seek in each of the above-noted proceedings (i) relief from the November 13 deadline to file motions to terminate and (ii) permission to make renewed requests to file such motions.

The parties again apologize to the Board and Director for the confusion and unnecessary work created by their earlier joint email.

Respectfully,

Andy Mason, Lead Counsel for Petitioner  
Wayne Helge, Lead Counsel for Patent Owner
