Honorable Director:

Patent Owner in IPR Case Nos. IPR2025-01218, -01219, -01220, Credo Technology Group Ltd., respectfully requests authorization to file five-page reply briefing on the issue of discretionary denial of institution, pursuant to the Director Discretionary Process.

In particular, Patent Owner requests authorization to address the following points, each of which constitutes good cause for additional briefing:

1. Recent activity in the co-pending investigation before the U.S. International Trade Commission, which is relevant to Patent Owner's request for discretionary denial of institution; and
2. Petitioner's misleading statements regarding Patent Owner's alleged offer of a covenant not to sue.

Respectfully submitted,

Thomas DaMario
An Attorney for Patent Owner
