

UNITED STATES INTERNATIONAL TRADE COMMISSION

Washington, D.C.

In the Matter of

CERTAIN ACTIVE ELECTRICAL  
CABLES AND COMPONENTS  
THEREOF

Inv. No. 337-TA-1446

**ORDER NO. 19: INITIAL DETERMINATION GRANTING JOINT MOTION TO  
AMEND THE PROCEDURAL SCHEDULE AND EXTENDING  
THE TARGET DATE**

(September 19, 2025)

On September 18, 2025, complainants Credo Semiconductor Inc. and Credo Technology Group Ltd. (“Credo”) and respondents Molex, LLC and TE Connectivity Corporation (collectively, “Respondents”) moved (1446-014) to amend the procedural schedule. The motion argues that an adjustment of all deadlines is warranted due to the substitution of new lead counsel for Credo pursuant and unforeseen challenges in discovery. Mot. at 2. The motion attaches a proposed schedule, which extends all deadlines in the schedule by approximately one month, and represents, “Staff indicates that it does not oppose this Motion.” *Id.* at 1; Mot., Ex. A. The extensions include moving the target date to December 17, 2026, which is approximately twenty (20) months from the date that the Notice of Investigation was published in the *Federal Register*. Mot., Ex. A; 90 Fed. Reg. 16551-2.

There being no opposition, and for good cause shown, the joint motion (1446-014) is GRANTED. The procedural schedule set forth in Appendix A is now the Procedural Schedule in this Investigation.

This initial determination is hereby certified to the Commission.

Pursuant to 19 C.F.R. § 210.42(h), this Initial Determination shall be the determination of the Commission thirty (30) days after the date of service of the initial determination, unless a party files a petition for review of the Initial Determination within five (5) business days after service of the initial determination pursuant to 19 C.F.R. § 210.43(a), or the Commission, pursuant to 19 C.F.R. § 210.44, orders, on its own motion, a review of the Initial Determination or certain issues herein. Any issue or argument not raised in a petition for review, or response thereto, will be deemed to have been abandoned and may be disregarded by the Commission in reviewing the Initial Determination pursuant to 19 C.F.R. §§ 210.43(b) and (c).

**SO ORDERED.**
