What's up guys, this is GTfan712 back

0:03

with a quick look at the Cole Haan lunar

0:04

grand long wingtip in the Camello colorway.

0:07

These released recently from Cole Haan

0:08

retail locations and accounts alongside

0:10

an additional three colorways all for a

0:12

retail price of

0:14

\$228. Now let's get into the

0:17

shoe. The lunar grand long wing features

0:19

Cole Haan's long wing tip design which

0:21

features additional brogue detailing at

0:23

the toe and a slightly sleeker profile.

0:26

Camello brown genuine smooth leather

0:27

dominates the upper on this colorway

0:29

which is extremely soft to the touch.

0:31

Slightly lighter brown waxed rope laces

0:33
tie everything together at top a chambray
0:35
blue lunar lon sole which is stitched
0:37
to the upper via a tan welt with white
0:40
stitching. The inner lining is composed
0:42
of navy leather on either side of the
0:44
midfoot and navy suede around the heel
0:46
for added heel traction. The insole is
0:48
composed of well- cushioned navy smooth
0:50
leather with impressed Cole Haan
0:52
branding. The chambray blue lunar lon
0:55
outsole features light brown rubber
0:56
traction pods at the toe and
0:58
heel.
2:24
And that will wrap up this quick look at
2:25
the Cole Haan lunar grand longwing in the
2:27
canello colorway. Just like the black and
2:29
white colorway, this shoe is an excellent
2:31
casual dress shoe with premium materials
2:33
and a comfortable lunar lon sole. Cole Haan
2:35
has an impressive selection of colorways
2:37
set to release this spring so expect
2:39
more lunar Grand videos to come in the
2:40
near future. If you're considering a pair

2:42

for yourself, I suggest trying a pair on

2:44

first as sizing is extremely difficult

2:46

to decipher. Until next time this has

2:48

been GTfan712, thanks for watching.
