The best looking Cole Haan colorway I've seen. I'm so happy I was fortunate enough to find a pair.

Now that is a nice looking shoe, looks awesome with the pinroll. Like how you made it look like that jump knocked the pinroll off your pants. Really digging your channel man, keep up the great work.

I personally would recommend a 7.5-8 in the LunarGrand Longwing, but I STRONGLY suggest trying

them on before purchasing.
