PROCEEDINGS and MINUTE ORDER

Motion to stay: The Court heard argument on Defendants' motion to stay pending *inter partes* review, ECF No. 72. The Court will deny the motion to stay without prejudice to renewal. Written order to issue.

Case schedule: The Court will enter the parties' proposed case schedule once the parties propose mutually agreeable dates for the claim construction tutorial and hearing. *See* ECF No. 79. The tutorial will be held via Zoom video on a Tuesday. The Court will reserve two hours, with the expectation that each side will limit its presentation to 30 to 45 minutes. The hearing will be held in-person on a Thursday, beginning at 1:30 p.m. The Court will reserve the afternoon. The parties shall meet and confer and propose mutually agreeable dates in mid-February 2026 or later.

Infringement contentions: In light of the case schedule extension, the Court terminated as moot, without prejudice, the joint discovery letter brief regarding the timeliness of Plaintiff's amended infringement contentions. *See* ECF No. 58. The parties shall meet and confer regarding whether there is any live dispute on this issue, and if so, the appropriate means for raising it. The related motion to seal, ECF No. 59, is terminated as moot because the Court did not consider the provisionally sealed materials. The materials will remain sealed.

By August 13, 2025, the parties shall submit an update regarding their meet-and-confer efforts. The parties may provide the update via email to the Courtroom Deputy.
