SCHEDULING ORDER¹

This 5th day of November, 2025, the Court having conducted an initial Rule 16(b) scheduling conference in C.A. No. 24-687 on April 28, 2025 pursuant to Local Rule 16.1(b), and having determined that a scheduling conference in C.A. No. 25-1013 is unnecessary, and the parties having determined after discussion that the matter cannot be resolved at this juncture by settlement, voluntary mediation, or binding arbitration;

IT IS HEREBY ORDERED that:

1. Rule 26(a)(1) Initial Disclosures. Unless otherwise agreed to by the parties, the parties shall make their initial disclosures in C.A. No. 25-1013-GBW required by Federal Rule of Civil Procedure 26(a)(1) on or before **November 26, 2025**. If they have not already done so, the parties are to review the Court’s Default Standard for Discovery, Including Discovery of Electronically Stored Information (“ESI”), which is posted at <http://www.ded.uscourts.gov> (see Other Resources, Default Standard for Discovery) and is incorporated herein by reference.

2. Response to Complaint in C.A. No. 25-1013-GBW, Joinder of Other Parties and Amendment of Pleadings. Tempus’s deadline to respond to the complaint in C.A. No. 25-1013-

¹ All provisions in this Order, including deadlines, apply to this consolidated action (both C.A. No. 24-687-GBW and C.A. No. 25-1013-GBW) unless otherwise noted.

GBW (including to move to dismiss pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure) is **December 3, 2025**. All motions to join other parties, and to amend or supplement the pleadings, shall be filed on or before **August 28, 2026**.² Unless otherwise ordered by the Court, any motion to join a party or motion to amend the pleadings shall be made pursuant to the procedures set forth in Paragraphs 4(g) and 5.

3. Disclosures.

(a) By **November 6, 2025**, Plaintiff shall identify the accused product(s), including accused methods and systems, and its damages model, as well as the asserted patent(s) that the accused product(s) allegedly infringe(s), in C.A. No. 25-1013-GBW. Plaintiff shall also produce the file history for each asserted patent in C.A. No. 25-1013-GBW.

(b) By **December 12, 2025**, the parties shall exchange the information set forth in Section 3 of the Delaware Default Standard for Discovery, Including Discovery of Electronically Stored Information.

(c) By **January 16, 2026**, Defendant shall produce core technical documents related to the accused product(s), sufficient to show how the accused product(s) work(s), including but not limited to non-publicly available operation manuals, product literature, schematics, and specifications, in C.A. No. 25-1013-GBW. Defendant shall also produce sales figures for the accused product(s) in C.A. No. 25-1013-GBW.

(d) By **February 6, 2026**, Plaintiff shall produce an initial claim chart relating each known accused product to the asserted claims each such product allegedly infringes in C.A. No. 25-1013-GBW.

² In D.I. 91-1, filed on October 15, the parties proposed July 31, 2026 for the deadline for motions to join other parties and to amend or supplement the pleadings. But in their submission on October 29, D.I. 96-1, the parties agreed to August 28, 2026, for this deadline, such that this deadline would follow substantial completion of document production.

(e) By **March 6, 2026**, Defendant shall produce its initial invalidity contentions for each asserted claim in C.A. No. 25-1013-GBW, as well as the known related invalidating references.

(f) By **August 28, 2026**, Plaintiff shall produce to Defendant its final infringement contentions, including final claim charts relating each accused products to the asserted claims each product allegedly infringes.

(g) By **September 18, 2026**, Defendant shall produce to Plaintiff its final invalidity contentions for each asserted claim, as well as the related invalidating references.

4. Discovery.

(a) Fact Discovery Cut Off. All discovery in this case shall be initiated so that it will be completed on or before **October 30, 2026**.

(b) Document Production. Document production shall be substantially complete by **August 7, 2026**. All documents previously produced in C.A. No. 24-687-GBW shall be deemed produced in this consolidated action subject to the previously filed Stipulated Protective Order without the need for re-production.

(c) Requests for Admission. A maximum of 100 requests for admission are permitted for each side. Requests for Admission previously served in C.A. No. 25-687-GBW will be deemed served in this consolidated action. The parties agree to meet and confer in good faith about document authentication issues.

(d) Interrogatories.

i. A maximum of **35 interrogatories**, including contention interrogatories, are permitted for each side in this consolidated action. Interrogatories previously served in C.A. No. 24-687 will be counted toward this total. The parties may request

that the response to any such interrogatory be supplemented to include a response applicable to the patents asserted or products accused in C.A. No. 25-1013-GBW.

ii. The Court encourages the parties to serve and respond to contention interrogatories early in the case. In the absence of agreement among the parties, contention interrogatories, if filed, shall first be addressed by the party with the burden of proof. The adequacy of all interrogatory answers shall be judged by the level of detail each party provides (i.e., the more detail a party provides, the more detail a party shall receive).

(e) Depositions.

i. Limitation on Hours for Deposition Discovery. Each side is limited to a total of **100 hours** of taking testimony by deposition upon oral examination (excluding expert depositions). **Depositions of witnesses shall be limited to a total of 7 hours for each witness. Depositions of witnesses that overlap with the false advertising case (C.A. No. 25-082-GBW) should be coordinated to avoid duplicative and inefficient discovery.** For expert depositions, each side shall be entitled to a single deposition for each expert, with a limit of seven (7) hours per deposition. If a party believes that additional hours for deposition are necessary, the parties shall meet and confer and try to reach agreement on the number of additional hours needed, and thereafter, if unable to reach agreement, a party seeking modification of this provision may petition the Court through the Court's discovery dispute resolution procedures.

ii. Location of Depositions. Any party or representative (officer, director, or managing agent) of a party filing a civil action in this district court must ordinarily be required, upon request, to submit to a deposition at a place designated within this district. Exceptions to this general rule may be made by order of the Court or by agreement of the

parties. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall be considered as having filed an action in this Court for the purpose of this provision.

(f) Disclosure of Expert Testimony.

i. Expert Reports. For the party who has the initial burden of proof on the subject matter, the initial Federal Rule 26(a)(2) disclosure of expert testimony is due on or before **November 13, 2026**. The supplemental disclosure to contradict or rebut evidence on the same matter identified by another party is due on or before **December 18, 2026**. Reply expert reports from the party with the initial burden of proof are due on or before **January 15, 2027**. No other expert reports will be permitted without either the consent of all parties or leave of the Court. If any party believes that an expert report does not comply with the rules relating to timely disclosure or exceeds the scope of what is permitted in that expert report, the complaining party must notify the offending party within one week of the submission of the expert report. The parties are expected to promptly try to resolve any such disputes, and, when they cannot reasonably be resolved, use the Court's Discovery Dispute Procedure or the complaint will be waived. Along with the submissions of the expert reports, the parties shall advise of the dates and times of their experts' availability for deposition.

ii. Objections to Expert Testimony. To the extent any objection to expert testimony is made pursuant to the principles announced in *Daubert v. Merrell Dow Pharm., Inc.*, 509 U.S. 579 (1993), as incorporated in Federal Rule of Evidence 702, it shall be made by motion no later than the deadline for dispositive motions set forth herein, unless otherwise ordered by the Court. Briefing on such motions is subject to the page limits set out in connection with briefing of case dispositive motions.

iii. Expert Discovery Cut-off. All expert discovery in this case shall be initiated so that it will be completed on or before **February 12, 2027**.

(g) Discovery Matters and Disputes Relating to Protective Orders.

i. Any discovery motion filed without first complying with the following procedures will be denied without prejudice to renew pursuant to these procedures.

ii. Should counsel find, after good faith efforts – including verbal communications among Delaware and Lead Counsel for all parties to the dispute – that they are unable to resolve a discovery matter or a dispute relating to a protective order, the parties involved in the discovery matter or protective order dispute shall submit a joint letter in substantially the following form:

Dear Judge Williams:

The parties in the above-referenced matter write to request the scheduling of a discovery teleconference.

The following attorneys, including at least one Delaware Counsel and at least one Lead Counsel per party, participated in a verbal meet-and-confer (in person and/or by telephone) on the following date(s):

Delaware Counsel: _____

Lead Counsel: _____

The disputes requiring judicial attention are listed below:
[provide here a non-argumentative list of disputes requiring judicial attention]

iii. On a date to be set by separate order, generally not less than forty-eight (48) hours prior to the conference, the party seeking relief shall file with the Court a letter, not to exceed three (3) pages, outlining the issues in dispute and its position on those issues. On a date to be set by separate order, but generally not less than twenty-four (24) hours prior to the

conference, any party opposing the application for relief may file a letter, not to exceed three (3) pages, outlining that party's reasons for its opposition.

iv. Each party shall submit two (2) courtesy copies of its discovery letter and any attachments.

v. Should the Court find further briefing necessary upon conclusion of the telephone conference, the Court will order it. Alternatively, the Court may choose to resolve the dispute prior to the telephone conference and will, in that event, cancel the conference.

(h) Miscellaneous Discovery Matters.

i. *Electronically Stored Information "ESI".* The Stipulated ESI Protocol entered on June 25, 2025 (C.A. No. 24-687-GBW, D.I. 64) shall govern this consolidated action, subject to the following modifications: (i) The deadline set forth in paragraph 3.1, which concerns the parties' initial disclosures, shall be superseded by a new deadline of November 26, 2025; and (ii) Paragraph 3.1(a) is modified to provide that each party shall identify and disclose 12 custodians most likely to have discoverable information in their possession, custody, or control, listed from the most likely to the least likely.

ii. *Protective Order:* The Stipulated Protective Order entered on June 25, 2025 (C.A. No. 24-687-GBW, D.I. 63) shall govern this consolidated action.

5. Motions to Amend.

(a) Any motion to amend (including a motion for leave to amend) a pleading shall **NOT** be accompanied by an opening brief but shall, instead, be accompanied by a letter, not to exceed three (3) pages, describing the basis for the requested relief, and shall attach the proposed amended pleading as well as a "blackline" comparison to the prior pleading.

(b) Within seven (7) days after the filing of a motion in compliance with this Order, any party opposing such a motion shall file a responsive letter, not to exceed five (5) pages.

(c) Within three (3) days thereafter, the moving party may file a reply letter, not to exceed two (2) pages, and, by this same date, the parties shall file a letter requesting a teleconference to address the motion to amend.

6. Motions to Strike.

(a) Any motion to strike any pleading or other document shall *NOT* be accompanied by an opening brief but shall, instead, be accompanied by a letter, not to exceed three (3) pages, describing the basis for the requested relief, and shall attach the document to be stricken.

(b) Within seven (7) days after the filing of a motion in compliance with this Order, any party opposing such a motion shall file a responsive letter, not to exceed five (5) pages.

(c) Within three (3) days thereafter, the moving party may file a reply letter, not to exceed two (2) pages, and, by this same date, the parties shall file a letter requesting a teleconference to address the motion to strike.

7. Technology Tutorials. Unless otherwise ordered by the Court, the parties jointly shall provide the Court, no later than the date on which the Joint Claim Construction Chart is due, a tutorial on the technology at issue. In that regard, the parties shall jointly submit to the Court an electronic tutorial of not more than thirty (30) minutes. The tutorial should focus on the technology in issue and educate the Court about the same and should not be used for argument. As to the format selected, the parties should confirm the Court's technical abilities

to access the information contained in the tutorial (“mpeg”, “quicktime”, etc.). The parties may choose to file their tutorial under seal, subject to any protective order in effect.

8. Claim Construction Issue Identification. On or before **March 27, 2026**, the parties shall exchange a list of those claim term(s)/phrase(s) that they believe need construction and their proposed claim construction of those term(s)/phrase(s). On or before **April 10, 2026**, the parties shall exchange responsive proposed constructions for the opposing parties’ proposed terms. These documents will not be filed with the Court. Subsequent to exchanging those lists, the parties will meet and confer to prepare a Joint Claim Construction Chart to be filed no later than **April 24, 2026**. The Joint Claim Construction Chart, in Word format, shall be e-mailed simultaneously with filing to gbw_civil@ded.uscourts.gov. The parties’ Joint Claim Construction Chart should identify for the Court the term(s)/phrase(s) of the claim(s) in issue, and should include each party’s proposed construction of the disputed claim language with citation(s) only to the intrinsic evidence in support of their respective proposed constructions. A copy of the patent(s) in issue as well as those portions of the intrinsic record relied upon shall be submitted with the Joint Claim Construction Chart. In this joint submission, the parties shall not provide argument.

9. Claim Construction Briefing. Plaintiff shall serve, but not file, its opening brief, not to exceed 6,000 words, on **May 15, 2026**. If there are any materials that would be submitted in an appendix, the parties shall submit them in a Joint Appendix.

10. Hearing on Claim Construction. Beginning at 2:00 p.m. on August 27, 2026, the Court will hear argument on claim construction. The parties shall notify the Court, by joint letter submission, no later than the date on which their answering claim construction briefs are due: (i) whether they request leave to present testimony at the hearing; and (ii) the amount of time they are requesting be allocated to them for the hearing.

³ For each term in dispute, there should be a table or the like setting forth the term in dispute, the parties' competing constructions, and why resolution of the dispute matters. The table does not count against the word limits.

Provided that the parties comply with all portions of this Scheduling Order, and any other orders of the Court, the parties should anticipate that the Court will issue its claim construction order within sixty (60) days of the conclusion of the claim construction hearing. If the Court is unable to meet this goal, it will advise the parties no later than sixty (60) days after the conclusion of the claim construction hearing.

11. Interim Status Report. On **May 15, 2026**, counsel shall submit a joint letter to the Court with an interim report of the matters in issue and the progress of discovery to date. Thereafter, if the Court deems it necessary, it will schedule a status conference.

12. Supplementation.

(a) By no later than **August 28, 2026**, the Plaintiff must finally supplement the identification of all accused products and serve final infringement contentions; and

(b) By no later than **September 18, 2026**, the Defendant must finally supplement the identification of all invalidity references and serve final invalidity contentions.

13. Case Dispositive Motions.

(a) All case dispositive motions shall be served and filed on or before **March 5, 2027**. Responsive briefs shall be served and filed on or before **April 9, 2027**. Reply briefs shall be served and filed on or before **April 30, 2027**. Briefing will be presented pursuant to the Court's Local Rules. No case dispositive motion under Rule 56 may be filed more than ten (10) days before the above date without leave of the Court.

(b) Concise Statement of Facts Requirement. Any motion for summary judgment shall be accompanied by a separate concise statement, not to exceed six (6) pages, which details each material fact which the moving party contends is essential for the Court's resolution of the summary judgment motion (not the entire case) and as to which the moving

party contends there is no genuine issue to be tried. Each fact shall be set forth in a separate numbered paragraph and shall be supported by specific citation(s) to the record.

Any party opposing the motion shall include with its opposing papers a response to the moving party's concise statement, not to exceed six (6) pages, which admits or disputes the facts set forth in the moving party's concise statement on a paragraph-by-paragraph basis. To the extent a fact is disputed, the basis of the dispute shall be supported by specific citation(s) to the record. Failure to respond to a fact presented in the moving party's concise statement of facts shall indicate that fact is not in dispute for purposes of summary judgment. The party opposing the motion may also include with its opposing papers a separate concise statement, not to exceed four (4) pages, which sets forth material facts as to which the opposing party contends there is a genuine issue to be tried. Each fact asserted by the opposing party shall also be set forth in a separate numbered paragraph and shall be supported by specific citation(s) to the record.

The moving party shall include with its reply papers a response to the opposing party's concise statement of facts, not to exceed four (4) pages, on a paragraph-by-paragraph basis. Failure to respond to a fact presented in the opposing party's concise statement of facts shall indicate that fact remains in dispute for purposes of summary judgment.

(c) Page limits combined with Daubert motion page limits. Each party is permitted to file as many case dispositive motions as desired provided however, that each *SIDE* will be limited to a combined total of 40 pages for all opening briefs, a combined total of 40 pages for all answering briefs, and a combined total of 20 pages for all reply briefs regardless of the number of case dispositive motions that are filed. In the event that a party files, in addition to a case dispositive motion, a Daubert motion to exclude or preclude all or any portion of an expert's testimony, the total amount of pages permitted for all case dispositive and Daubert

motions shall be increased to 50 pages for all opening briefs, 50 pages for all answering briefs, and 25 pages for all reply briefs for each *SIDE*.⁴

(d) Ranking of Summary Judgment Motions. Any party that files more than one summary judgment motion shall number each motion to indicate the order in which the party wishes the Court to review its pending motions. The first motion the party wishes the Court to consider shall be designated #1, the second motion shall be designated #2, and so on. The Court will review the party's summary judgment motions in the order designated by the party. If the Court decides to deny a motion filed by the party, barring exceptional reasons determined *sua sponte* by the Court, the Court will not review any lower ranked summary judgment motions filed by the party.

14. Applications by Motion. Except as otherwise specified herein, any application to the Court shall be by written motion. Any non-dispositive motion should contain the statement required by Local Rule 7.1.1.

15. Application to Court for Protective Order. Should counsel find it will be necessary to apply to the Court for a protective order specifying terms and conditions for the disclosure of confidential information, counsel should confer and attempt to reach an agreement on a proposed form of order and submit it to the Court within ten (10) days from the date the Court enters this Order. Should counsel be unable to reach an agreement on a proposed form of order, counsel must follow the provisions of Paragraph 4(g) above.

Any proposed protective order must include the following paragraph:

⁴ The parties must work together to ensure that the Court receives no more than a *total* of 250 pages (i.e., 50 + 50 + 25 regarding one side's motions, and 50 + 50 + 25 regarding the other side's motions) of briefing on all case dispositive motions and *Daubert* motions that are covered by this scheduling order and any other scheduling order entered in any related case that is proceeding on a consolidated or coordinated pretrial schedule.

Other Proceedings. By entering this order and limiting the disclosure of information in this case, the Court does not intend to preclude another court from finding that information may be relevant and subject to disclosure in another case. Any person or party subject to this order who becomes subject to a motion to disclose another party's information designated as confidential pursuant to this order shall promptly notify that party of the motion so that the party may have an opportunity to appear and be heard on whether that information should be disclosed

16. Papers Filed Under Seal. In accordance with section G of the Revised Administrative Procedures Governing Filing and Service by Electronic Means, a redacted version of any sealed document shall be filed electronically within seven (7) days of the filing of the sealed document.

17. Courtesy Copies. The parties shall provide to the Court two (2) courtesy copies of filings (*i.e.*, briefs, appendices, exhibits, declarations, affidavits etc.). Courtesy copies of appendices and exhibits should include hard tabs. This provision also applies to papers filed under seal.

18. Motions *in Limine*. Motions *in limine* shall not be separately filed. All *in limine* requests and responses thereto shall be set forth in the proposed pretrial order. Each **SIDE** shall be limited to three (3) *in limine* requests, unless otherwise permitted by the Court. The *in limine* request and any response shall contain the authorities relied upon; each *in limine* request may be supported by a maximum of three (3) pages of argument, may be opposed by a maximum of three (3) pages of argument, and the side making the *in limine* request may add a maximum of one (1) additional page in reply in support of its request. If more than one party is supporting or opposing an *in limine* request, such support or opposition shall be combined in a single three (3) page submission (and, if the moving party, a single one (1) page reply), unless otherwise ordered by the Court. No separate briefing shall be submitted on *in limine* requests, unless otherwise permitted by the Court.

19. Pretrial Conference. On **February 2, 2028**, the Court will hold a Rule 16(e) final pretrial conference in Court with counsel beginning at **3:00 p.m.** Unless otherwise ordered by the Court, the parties should assume that filing the pretrial order satisfies the pretrial disclosure requirement of Federal Rule of Civil Procedure 26(a)(3). The parties shall file with the Court the joint proposed final pretrial order in compliance with Local Rule 16.3(c) and the Court's Preferences and Procedures for Civil Cases not later than seven (7) days before the pretrial conference. Unless otherwise ordered by the Court, the parties shall comply with the timeframes set forth in Local Rule 16.3(d)(1)-(3) for the preparation of the joint proposed final pretrial order.

The parties shall provide the Court two (2) courtesy copies of the joint proposed final pretrial order and all attachments. The proposed final pretrial order shall contain a table of contents and the paragraphs shall be numbered.

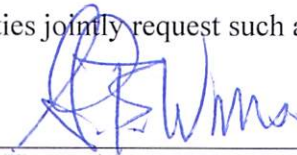

20. Jury Instructions, Voir Dire, and Special Verdict Forms. Where a case is to be tried to a jury, pursuant to Local Rules 47.1(a)(2) and 51.1, the parties should file (i) proposed voir dire, (ii) preliminary jury instructions, (iii) final jury instructions, and (iv) special verdict forms seven (7) business days before the final pretrial conference. This submission shall be accompanied by a courtesy copy containing electronic files of these documents, in Microsoft Word format, which may be submitted by e-mail to gbw_civil@ded.uscourts.gov.

21. Trial. This matter is scheduled for a **five (5) days** jury trial beginning at 9:30 a.m. on **February 7, 2028**, with the subsequent trial days beginning at 9:30 a.m. Until the case is submitted to the jury for deliberations, the jury will be excused each day at 5:30 p.m. The trial will be timed, as counsel will be allocated a total number of hours in which to present their respective cases.

22. Judgment on Verdict and Post-Trial Status Report. Within seven (7) days after a jury returns a verdict in any portion of a jury trial, the parties shall jointly submit a form of order to enter judgment on the verdict. At the same time, the parties shall submit a joint status report, indicating among other things how the case should proceed and listing any post-trial motions each party intends to file.

23. Post-Trial Motions. Unless otherwise ordered by the Court, all *SIDES* are limited to a maximum of 20 pages of opening briefs, 20 pages of answering briefs, and 10 pages of reply briefs relating to any post-trial motions filed by that side, no matter how many such motions are filed.

24. ADR Process. This matter may be referred to a magistrate judge to explore the possibility of alternative dispute resolution if the parties jointly request such a referral.
