### **Notice of Electronic Filing**

The following transaction was entered on 10/22/2025 at 1:41 PM CDT and filed on 10/22/2025

**Case Name:** K.Mizra LLC v. Google LLC

**Case Number:** [1:25-cv-00236-ADA](#)

**Filer:**

**Document Number:** No document attached

#### **Docket Text:**

**Text Order DENYING [25] Motion to Dismiss entered by Judge Alan D Albright. Upon consideration of Defendant Google LLC's Motion to Dismiss under Federal Rule of Civil Procedure 12(b)(6), and the opposition thereto, the Court is of the opinion that the motion should be DENIED. Google's Motion as it relates to pre-suit damages is unopposed, as Plaintiff does not seek pre-suit damages. ECF No. 34 at 2. Thus, Google's Motion is DENIED AS MOOT as to any of Plaintiff's claims to pre-suit damages. The Court has determined that the opposed portions of Google's Motion is better suited for resolution at a later summary judgment or judgment on the pleadings stage, after having resolved the parties' claim construction arguments. UTTO Inc. v. Metrotech Corp., 119 F.4th 984, 993 (Fed. Cir. 2024)). Thus, all other relief is DENIED. (This is a text-only entry generated by the court. There is no document associated with this entry.) (MC1c)**
