Dear Hon. Director,

Patent Owner respectfully requests authorization to file extremely short Reply briefs to Petitioner's Oppositions to discretionary denial in the following proceedings: IPR2025-01486, IPR2025-01488, and IPR2025-01493.

Good cause exists here for each requested Reply. Specifically:

- Petitioner's Oppositions in IPR2025-01468 and 01493 do not describe the full search history undertaken by the respective Examiners. Patent Owner requests a two-page Reply in each.
- Petitioner's Opposition in IPR2025-01488 mischaracterized the analysis addressed by the Examiner. Patent Owner requests a one-page Reply.

Patent Owner expresses its gratitude for the Director's consideration of this request, and is available if the Office requires any additional information.

Respectfully,
Tim
