## Bringing voice intelligence to Webex Meetings

### Digital in-meeting assistant

Using voice commands, AI-powered Webex Assistant interacts with you to help with notes, highlights, follow-ups, and more.

### Real-time transcription

Never miss a detail in your meeting with real-time meeting transcription and closed captioning. A great benefit for the hearing impaired.

autocapture key points.

## Meeting recording transcripts

Record your meeting to get post-meeting transcript and presentation content.

## Keep everyone in the loop

Easily edit and share meeting highlights, transcripts, and recordings. Send follow-ups and action items to everyone or to specific attendees.

## Cross-meeting search

Find that exact point in your recordings with key-word search; Webex saves you time by searching in one recording or across all your recordings.

## Teamwork and the biggest show of the year

*"We spend a lot of time aligning the show with brands that want to be a part of 'The Ellen' experience. We're usually working on a really tight schedule. The faster we can launch or join meetings the better. With Cisco Webex Teams we know this is going to be the best Mother's Day show ever."*

*Alana Calderone Polcsa, SVP, Brand Content and Partnerships, The Ellen DeGeneres Show*
