Honorable Members of the Board,

On December 8, 2025, Patent Owner submitted all of its exhibits in support of Patent Owner's Discretionary Denial Brief in PGR2025-00089. Later this evening on the same date, we attempted to file Patent Owner's Discretionary Denial Brief. However, the P-TACTS system would not accept the filing and gave us a PTAB Application System Error. We tried numerous solution for over an hour, but none seemed to work. At one point the system told us the brief had been accepted, but then it did not appear in the docket. We

believe it may be something internal to the PTAB's filing system. We have already served the Discretionary Denial Brief on Petitioner's counsel by email and attach it hereto in an abundance of caution.

Respectfully submitted,

Perry S. Clegg  
Counsel for Patent Owner
