PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (the "Assignment") is made between KEIO PATENT GROUP, INC., a Texas corporation (the "Assignor"), on one hand, and NANJING NUTRABUILDING BIOTECH CO. (NNB), a limited liability company of China (the "Assignee"), on the other hand.

WHEREAS, to the extent the Assignor is the owner of right and title to the U.S. Patent listed in Exhibit A to this Assignment, Assignor is desirous of assigning all such rights to the patent (the "Patent"); and

WHEREAS, as set forth in that certain Settlement and Patent Allocation Agreement, effective November 5, 2021 (the "Settlement Agreement") (subject to any terms and conditions therein, including but not limited to any restrictions set forth in Section 2(a) and/or Schedule I), the Assignor has agreed to assign and the Assignee has agreed to acquire all of the Assignor's right, title, and interest in and to the Patent, including the right to recover for any past, present, and future infringement of the Patent assigned herein.

NOW, THEREFORE, for the consideration set forth in the Purchase of Assets, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee agree as follows.

1. The Assignor hereby assigns to the Assignee for the territory of the United States of America its right, title, and interest in and to the Patent. The Assignor hereby transfers and conveys to the Assignee the right to recover for any past, present, and future infringement of the Patent assigned herein.

2. The Assignor hereby authorizes and requests the Commissioner for Patents and Trademarks to transfer the Patent to the Assignee.

3. The Assignor agrees to execute all papers and to perform such other proper acts as the Assignee may deem necessary, at Assignee's expense, to secure for the Assignee the rights herein assigned including but not limited to any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title, and interests in the Assignee, its successors, assigns, and legal representatives.

4. The Assignor agrees, without charge to the Assignor but at the expense of the Assignee and within reason, to testify in any legal proceedings, sign all lawful papers, execute all renewals, reissues, or substitute applications, make all lawful oaths, and generally do everything reasonably possible to vest title in the Assignee and to aid the Assignee, its successors, assigns, and legal representatives to obtain and enforce proper protection for the Patent in all countries.

5. This Agreement shall be governed by and construed in accordance with the laws of the United States of America and the State of Texas.

****[Signature page follows]****

IN WITNESS WHEREOF, the parties have executed this Agreement on November 5,
2021.
