RE: IPR2026-00120

To the Director:

The Parties (Patent Owner Malikie and Petitioners Vivint and NRG Energy) have reached a patent license agreement that fully resolves their disputes involving U.S. Patent No. 11,119,756, the patent challenged in IPR2026-00120.

Accordingly, in furtherance of that agreement, the Parties request authorization to file a joint motion to terminate. The Parties will also request to keep the agreement confidential pursuant to 35 U.S.C § 317(b) and 37 C.F.R. § 42.74(c).

Respectfully submitted,

Patrick Colsher
Counsel for Patent Owner

Patrick Colsher | Reichman Jorgensen Lehman & Feldberg LLP
