Case No.: IPR2026-00127

Dear Honorable Director,

Petitioner seeks leave to file a corrected Opposition to Patent Owner's Request for Discretionary Denial.

On March 2, 2026, Petitioner filed an Opposition to Patent Owner's Request for Discretionary Denial. In the Opposition, Petitioner stated: "Yet the 'Accused Products' identified in DM's complaint include products—such as the Aironet 1500 series—that were commercially available years before that meeting." Opp. Br., 9. On March 3, 2026, Patent Owner notified Petitioner that it believes that the above-quoted statement is "erroneous[]." Petitioner seeks an opportunity to file a corrected Opposition to clarify the above-identified statement as follows: "Yet the 'Accused Products' identified by DM in a co-pending district court action (in which the '762 patent is not asserted) ~~in DM's complaint~~ include products—such as the Aironet 1500 series—that were commercially available years before that meeting."

Patent Owner does not oppose this request.

Best regards,  
Taeg Sang Cho  
Counsel for Petitioner
