Hi Nathan & Andy -

There were a number of structural and fabrication issues with the last model sent to you. We have modified the parts and attached the latest version in both opened and closed formats. Please review and provide us with your feedback at your earliest convenience.

Regards,

Eric

Hi Andy & Nathan -

Are you available for a web conference (gotomeeting) tomorrow AM to review the design updates? Our schedule is open, so please let me know if there is a time that

works best for you. I will send you the web link and dial information after we nail down the timing.

Thanks,

Eric
