Subject: IPR2026-00173 - Request to File Motion to Correct Clerical Error

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board,

Petitioner respectfully requests authorization to file a motion under 37 C.F.R. § 42.104(c) to correct a clerical error related to its Petition in IPR2026-00173. Petitioner's motion will be limited to requesting authorization to file Exhibit 1050, including the pages cited in the Petition and Expert Declaration.

Petitioner's Exhibit 1050, which is a technical automotive handbook, was inadvertently omitted from filing with the Petition due to a clerical upload error. Petitioner's Exhibit 1050 was cited and filed in six related proceedings: IPR2025-01342, IPR2025-01383, IPR2025-01524, IPR2026-00002, IPR2026-00172, and IPR2026-00171.

The parties have conferred on this issue, and Patent Owner does not oppose Petitioner's request. The parties are available for a telephone conference with the Board, if one is needed, on Monday 3/16 after 4PM, Tuesday 3/17 after 3PM, and Friday 3/20 after 1PM (all times Eastern).

Please let us know if the Board authorizes the filing of this motion.

Best Regards,
Andrew Turner
Counsel for Petitioner
