**Case Name:** WINVIEW IP HOLDINGS, LLC v. DRAFTKINGS INC. et al

**Case Number:** [3:21-cv-13405-GC-JTQ](#)

**WARNING: CASE CLOSED on 02/15/2023**

**Document Number:** 127(No document attached)

**Docket Text:**

**TEXT ORDER:** The Court has reviewed the Parties' recent correspondence following Plaintiff's request to take the de bene esse deposition of a witness who who's age and health conditions may affect his availability for trial. The Defendants offer a number of responses as to why the deposition should not proceed at this time. None are at all persuasive. Nor does the Court understand Defendants' request for formal briefing and a hearing. This plainly is a straightforward request that the undersigned can dispatch with through a simple Text Order. In short, given the age and health issues identified by Plaintiff, the Court finds good cause to permit the requested deposition to proceed. The Parties shall discuss the logistics of the deposition, including whether any documents will be presented to this witness. All other discovery shall remain stayed. So Ordered by Magistrate Judge Justin T. Quinn on 3/13/2026. (eh, )
