Case No. 2:19-cv-00326-JRG

**ORDER**

Before the Court is the Claim Construction Memorandum Opinion and Order (“Order”) of Magistrate Judge Payne dated October 30, 2020 (Dkt. No. 113). Defendants Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (“Defendants”) have filed Objections to the Order (Dkt. No. 118). Plaintiff Clear Imaging Research, LLC has filed a Response to Defendants’ Objections to the Order (Dkt. No. 123).

After considering the reasoning provided in the Order, the underlying claim construction briefing, Defendants’ Objections, and Plaintiff’s Response to Defendants’ Objections, the Court agrees with the conclusions reached within the Order and finds Defendants’ objections unpersuasive. Accordingly, the Court **OVERRULES** Defendants’ Objections and **ADOPTS** Magistrate Judge Payne’s Order.

**So ORDERED and SIGNED this 8th day of December, 2020.**
