Dear Honorable Director,

In each of IPR2026-00182, -00183, and -00184, Microsoft respectfully requests authorization to file as an exhibit the April 23, 2026, order in the parallel district court case, which vacated “all hearings, pretrial conferences, and trial dates.” Case No. 1-25-cv-1383 (W.D. Tex.).

Good cause exists because this order reflects a material change in the facts now under consideration by the Board, including the status of the district court trial date. *E.g.*, IPR2026-00182, Paper 9 at 2, 5.

Petitioner has conferred with counsel for Patent Owner, which does not oppose this request. The parties have further agreed to promptly apprise the Director of any further developments in the case relating to the case schedule.

Respectfully submitted,

Andy Mason
Lead Counsel for Petitioner Microsoft
